Warrant for the Annual Town Meeting

MARCH 6, 1916

Commonwealth of Massachusetts

Norfolk, ss. To Samuel F. Light, a Constable of the Town of Needham, in said county, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs to meet at the Town Hall in said town on Monday, the sixth day of March next at five forty-five o'clock in the forenoon, then and there to act upon the following articles, viz.:

Article 1. To hear and act on the reports of town officers and committees.

Article 2. To choose by ballot the following town officers: One moderator for one year, one town clerk for one year, three selectmen for one year, one overseer of the poor for three years, one assessor for three years, one member of the board of health for three years, one town treasurer for one year, one collector of taxes for one year, two constables for one year, one member of the school committee for three years, one water commissioner for three years, two trustees of the public library for three years, one park commissioner for three years, one tree warden for one year, three members of the finance committee for three years, and upon the same ballot to vote "yes" or "no" upon the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?"

Article 3. To choose or appoint all other necessary town officers in such manner as the town may determine.

Article 4. To see what disposition the town will make of the money received for dog licenses.

Article 5. To see if the town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money in anticipation of the revenue of the current financial year.

Article 6. To see what sums of money the town will appropriate for the construction, maintenance and repairs of highways, townways, sidewalks and bridges; for the support of the schools; for the maintenance of the public library; for the relief and support of the poor; for the observance of Memorial Day; for the care and improvement of parks and public grounds; for the use of the tree warden; for other necessary town charges and expenses, including unpaid bills of 1915.

Article 7. To see how the town will have its taxes collected and fix the compensation therefor for the current year.

Article 8. To see what action the town will take in regard to pay of town officers.

Article 9. To see what action the town will take in regard to unexpended balances.

Article 10. To appropriate money to build the approaches to High Rock Street Bridge.

Article 11. To see what sum of money the town will appropriate to repair or rebuild the Pierce Bridge between this town and Dover.

Article 12. To appropriate money to pay the tuition of pupils in vocational schools.

Article 13. To see if the town, as authorized by Chap. 84 of the Special Acts of 1915, will vote to pay a sum not exceeding fifteen hundred dollars to Clyde E. Cookson, a

member of the fire department, on account of serious injuries sustained by him while in the discharge of his duties as fireman, or do anything in relation to the same, upon petition of George H. Hassam and others.

Article 14. To see what sum of money the town will appropriate for supervision of Avery School playground, or pass any vote or votes relative thereto.

Article 15. To see if the town will authorize the selectmen to install three or more street lights, on a way called Melrose Avenue, on petition of John A. King and others.

Article 16. To see if the town will grant an easement to the New York, New Haven & Hartford R. R. Company for depot purposes in a portion of the "Water Shed Land," near bridge where Great Plain Avenue crosses the railroad track, upon petition of David Murdoch and others.

Article 17. To see if the town will vote to accept Walnut Street, from Linden Street to Marked Tree Road, as laid out by the Selectmen.

Article 18. To see if the town will vote to accept Avery Street from Hillside Avenue to Greenough Street, as laid out by the Selectmen.

Article 19. To see if the town will vote to accept Greenough Street from Pine Grove Street to Avery Street, as laid out by the Selectmen.

Article 20. To see if the town will vote to accept Manning Street from Gibson Street, North two hundred and fifty feet, as laid out by the Selectmen.

Article 21. Shall Chapter 223 of the year 1912, requiring certain towns to provide public playgrounds, be accepted by this town, upon petition of Frank W. Gorse and others.

Article 22. To see if the town will vote to appropriate the sum of one hundred dollars for the collection and disposal of garbage, the same to be expended under the supervision of the Board of Health.

Article 23. To see if the town will take any action by resolution or otherwise, toward presenting a remonstrance to the Public Service Commission against the proposed increase of fares on the Bay State Street Railway.

Article 24. To see if the town will appropriate fifty dollars for purpose of remonstrating against proposed increase of fares on the Bay State Railway, such appropriation to be expended at the discretion of the Selectmen.

Article 25. To see if the town will appropriate the sum of two thousand dollars to purchase the gravel bank on Webster Street, owned by William H. Carter, and authorize the Selectmen to acquire it in the name of the town, or pass any vote or votes relative thereto.

Article 26. To see if the town will take any action looking toward putting the Water Department on a self-supporting basis, upon petition of the Finance Committee.

Article 27. To see if the town will vote to adopt the recommendations of the committee on by-laws, or vote tc revise or amend the town by-laws or do anything in relation to the same.

Article 28. To see if the town will vote to have the reports of its officers, and the proceedings of this and subsequent town meetings printed and copies thereof distributed.

Article 29. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any purposes mentioned in the foregoing articles, and to act upon the appropriations asked for or proposed by the Selectmen, or by any town officers or committees.

The polls may be closed at six o'clock, p. m.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town at least seven days before the time of said meeting, and also leave a copy at each of the several dwelling houses within the town.

Hereof fail not and make due return of this warrant, with your doings thereon, unto our town clerk on or before said day and hour.

Given under our hands at Needham aforesaid this fourth day of February A. D. nineteen hundred sixteen.

[SEAL]

SAMUEL H. WRAGG,
JAMES M. McCRACKEN,
GEORGE W. BAKER,
Selectmen of Needham.

Officer's Return

Norfolk, ss.

Needham, Feb. 24, 1916.

By virtue of this warrant I have notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said town, at least seven days before the time of holding said meeting. And by leaving a copy at each of the several dwelling houses as within directed.

SAMUEL F. LIGHT,
Constable of Needham.

A true copy of warrant and officer's return.

THOMAS SUTTON,
Town Clerk.

Record of the Annual Town Meeting

March 6, 1916

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Monday, March 6, A. D. 1916, at forty-five minutes past five o'clock in the forenoon.

The meeting was called to order by the moderator.

Voted to omit reading the articles in the warrant.

The town clerk read the warrant and the return of the officer who notified and warned the inhabitants.

Article 2. Voted to proceed to vote for the following town officers, viz.: One moderator for one year, one town clerk for one year, three selectmen for one year, one overseer of the poor for three years, one assessor for three years, one member of the board of health for three years, one town treasurer for one year, one collector of taxes for one year, two constables for one year, one member of the school committee for three years, one water commissioner for three years, two trustees of the public library for three years, one park commissioner for three years, one tree warden for one year, three members of the finance committee for three years, and upon the same ballot to vote "yes" or "no" upon the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?"

Pursuant to sections 235 of chapter 835 of the Acts of 1913, the selectmen having appointed Luke W. Keith, J. P. Chambers, H. E. Crisp and George E. Mitchell as ballot

clerks, they were sworn to the faithful discharge of their duties by the town clerk.

The ballots prepared for use at this election by the town clerk were then delivered by him to the presiding officer and his receipt taken therefor.

Cards of instruction and specimen ballots were then posted as required by section 280 of chapter 835 of the Acts of 1913.

The ballot box furnished by the Commonwealth for use at elections was publicly opened by the moderator and shown to be empty. The box was then locked and the key delivered to Samuel F. Light, the officer in attendance.

The polls were opened at forty-nine minutes past five in the forenoon and were kept open until seven o'clock in the afternoon, when, as the meeting had previously voted, they were closed.

Tellers were appointed by the moderator and sworn by him, viz.: John F. Gaughan, Harold N. Pierce, William T. Wilson, George A. Krautler, Francis J. Stanwood, William A. Parks, William W. Hewett and James F. Ramsey.

As the ballots were taken from the box they were audibly counted by the presiding officer, the whole number being 874.

The whole number cast by men voters was 808. The whole number cast by women was 66, which agreed with the number of names checked by the ballot clerks.

A canvass of all the votes given was made as required by law, the blanks furnished by the secretary of the Commonwealth being used.

Upon completion of the canvass of all votes cast, the whole number being duly sorted, counted and recorded, public announcement thereof was made by the moderator in open meeting and was as follows, viz.:

For Moderator

William G. Moseley, 34 Dedham ave.,	637
Blanks,	171

and William G. Moseley was declared elected moderator for

one year and was sworn in open meeting by the town clerk.

For Town Clerk

Thomas Sutton, 130 Warren st.,	717
Blanks,	91

and Thomas Sutton was declared elected town clerk for one year, and was sworn in open meeting by the moderator.

For Selectmen

George W. Baker, 83 Warren st.,	573
David Murdoch, 43 Grant st.,	407
Everard W. Pinkham, Hillcrest rd.,	354
Daniel L. Smith, 836 Great Plain ave.,	181
Samuel H. Wragg, 37 High st.,	637
Blanks,	272

and George W. Baker, David Murdoch and Samuel H. Wragg were declared elected selectmen, and were severally sworn by the town clerk.

For Assessor (for three years)

Henry T. Childs, 94 Greendale ave.,	429
James F. Ryan, 405 Highland ave.,	353
Blanks,	26

and Henry T. Childs was declared elected assessor for three years, and was sworn by the town clerk as required by section 68 of chapter 25 of the Revised Laws.

For Overseer of the Poor (for three years)

Susan W. Fiske, Webster st.,	628
Blanks,	180

and Susan W. Fiske was declared elected overseer of the poor for three years.

For Town Treasurer

Charles E. Stanwood, 133 Hillside ave.,	647
Blanks,	161

and Charles E. Stanwood was declared elected treasurer for one year and was sworn by the town clerk.

For Collector of Taxes

John L. Twigg, 14 Maple terrace,	691
Blanks,	117

and John L. Twigg was declared elected collector of taxes for one year and was sworn by the town clerk.

For Constable

Samuel F. Light, 26 High st.,	644
George Twigg, 727 Webster st.,	636
Blanks,	336

and Samuel F. Light and George Twigg were declared elected constables for one year and Samuel F. Light was sworn by the town clerk.

For Tree Warden

Ernest E. Riley, Oak Crest rd.,	639
Blanks,	169

and Ernest E. Riley was declared elected tree warden for one year, and was sworn by the town clerk.

For School Committee (for three years)

Mary C. Whitney, Great Plain ave.,	706
Blanks,	168

and Mary C. Whitney was declared elected school committee for three years.

For Water Commissioner (for three years)

Edmund G. Pond, Chestnut st.,	599
Blanks,	209

and Edmund G. Pond was declared elected water commissioner for three years.

For Trustees of Public Library (for three years)

Francis De M. Dunn, 160 Warren st.,	598
Alice M. Hicks, Dedham ave.,	596
Blanks,	422

and Francis De M. Dunn and Alice M. Hicks were declared elected trustees of the public library for three years.

For Park Commissioner (for three years)

Arthur G. Curren, 756 Webster st.,	585
Blanks,	223

and Arthur G. Curren was declared elected park commissioner for three years.

For Board of Health (for three years)

Norman A. Dubois, Great Plain ave.,	576
Blanks,	232

and Norman A. Dubois was declared elected a member of the board of health for three years.

For Finance Committee (for three years)

Edgar H. Bowers, 1080 Great Plain Ave.,	611
Jeremiah F. Buckley, 109 Dedham Ave.,	578
G. Waldo Crawley, 57 Grant st.,	580
Blanks,	655

and Edgar H. Bowers, Jeremiah F. Buckley and G. Waldo Crawley were declared elected finance committee for three years.

Upon the question, "Shall licenses be granted for the sale of intoxicating liquors in this town?" the result was as follows, viz.:

Yes,	145
No,	580
Blanks,	83

After the result of the voting had been declared, the ballots cast, the undistributed ballots, and also the check lists were sealed up, endorsed by the election officers and placed in the custody of the town clerk.

Article 3. Under this article the following town officers were elected:

Highway Surveyors, Fence Viewers, and Town Agents

Samuel H. Wragg, David Murdoch, George W. Baker.

Surveyors of Lumber

Isaac Grant, Alfred Parker.

Field Drivers

George Twigg, Alexander Lynes, Lewis Hasenfus.

Measurers of Wood and Bark

James H. Whetton, Joseph Willett, Patrick J. Reid, Henry E. Poore, Armand J. Mathey, Patrick Gaughan, James E. Gaughan.

Public Weighers

Bertha E. Coburn, Joseph Willett, James H. Whetton, Patrick J. Reid, Armand J. Mathey, Henry E. Poore, Arthur H. Whetton, Isaac Warren, John R. Nichols, Patrick Gaughan, Alexander McKay, James E. Gaughan, Edith Loraine, Frederick D. Sutton.

Sealer of Weights and Measures

Frederick D. Sutton.

Pound Keeper

Alger E. Eaton.

Article 1. Voted that the report of the finance committee be accepted.

Article 4. Voted that six hundred and ninety-eight dollars and thirty-eight cents, the money received from dog licenses, be appropriated for use of the public library.

Article 27. Voted to amend section one of article two by striking out at the end thereof the words "and shall be distributed with the town warrant."

Voted to amend section one of article two by adding to the eighth line thereof the words, "to serve until the next annual town election."

Voted that the report of the committee on by-laws be accepted, and the by-laws as printed in the last town report on pages 106 to 116 inclusive, with the amendments made at this town meeting be adopted as the by-laws of the town of Needham.

Article 5. Voted unanimously that the town treasurer, with the approval of the selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1916, and to issue a note or notes therefor payable within one year; any debt or debts incurred under this vote to be paid from the revenue of said financial year.

Article 6. The following appropriations were made under this article, each item being voted on separately, viz.:

For selectmen's department, seven hundred and fifty dollars ($750).

For accounting department, one thousand dollars ($1,000).

For the treasurer's department, nine hundred dollars ($900).

For the tax collector's, one thousand dollars ($1,000).

For the assessors', twenty-eight hundred dollars ($2,800).

For the town clerk's, four hundred and seventy-five dollars ($475).

For the finance committee, one hundred dollars ($100).

For election expenses, five hundred fifty dollars ($550).

For care and maintenance of town hall, one thousand

four hundred dollars ($1,400), and an amount equal to receipts.

For water commissioners' salaries, two hundred and twenty-five dollars ($225).

For police department, thirty-seven hundred dollars ($3,700) and an amount equal to the fines paid to the town treasurer.

For fire department engineers' salaries, three hundred dollars ($300).

For fire department hydrant service, three thousand dollars ($3,000).

For fire department maintenance, forty-seven hundred and fifty dollars ($4,750), and an amount equal to receipts.

Voted to adjourn to Wednesday evening, March 15, 1916, at 7.30 o'clock.

Adjourned.

Attest:

THOMAS SUTTON,
Town Clerk.

Adjourned Annual Town Meeting

March 15, 1916

Pursuant to adjournment the inhabitants of the town of Needham met in the town hall at thirty minutes past seven o'clock in the evening.

Meeting was called to order by the moderator.

On account of a severe snow storm few citizens were present and it was voted to adjourn to Thursday evening, March 30, 1916, at half-past seven o'clock.

Adjourned.

Attest:

THOMAS SUTTON,
Town Clerk.

Adjourned Annual Town Meeting

March 30, 1916

Pursuant to adjournment, the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, met in the town hall in said town, on Thursday, March 30, 1916.

William G. Moseley, moderator in the chair.

Article 6. On motion of Henry T. Childs at a previous meeting to amend the motion to appropriate twenty-two hundred and sixty dollars for the maintenance of fire alarm so as to read forty-seven hundred and sixty dollars and twenty-five hundred of this amount be used for the purchase of a compressed air whistle, it was voted to refer the matter of the compressed air whistle to the selectmen to report at a future town meeting.

Article 6. Under this article the following appropriations were made, each item being voted on separately, viz.:

For the maintenance of the fire alarm, twenty-two hundred and sixty dollars ($2,260), and an amount equal to the receipts.

For inspection, eleven hundred dollars ($1,100), and an amount equal to receipts.

For tree warden, seven hundred dollars ($700).

For extermination of gypsy and brown-tail moth, forty-two hundred and four dollars and thirty-five cents ($4,204.35), and an amount equal to receipts.

For the suppression of gypsy and brown-tail moth on private estates, three thousand dollars ($3,000).

For forest warden, one hundred and forty-five dollars ($145).

For school department, fifty-two thousand four hundred and twelve dollars ($52,412), and the income from Dwight School Fund and an amount equal to the receipts.

For school physicians, three hundred dollars ($300).

For public library, three thousand dollars ($3,000), and an amount equal to the receipts.

For highways, sixteen thousand dollars ($16,000), and an amount equal to the receipts from individuals, street railway and excise tax.

Voted that there be appropriated for highway construction the sum of four thousand dollars, and the treasurer be authorized to borrow this amount, provided the Massachusetts Highway Commission allot the sum of twenty-five hundred dollars for this work, as provided in sec. 4, chap. 719, of Acts of 1913, in anticipation of the amount which the state is to reimburse the town on account of highway construction.

For sidewalks, three thousand dollars ($3,000), and an amount equal to the receipts from individuals.

For removal of snow, two thousand dollars ($2,000).

For street lighting, eight thousand seven hundred dollars ($8,700).

For relief and support of poor, fifty-five hundred dollars ($5,500), and an amount equal to the receipts.

For soldiers' relief, eleven hundred dollars ($1,100).

For state and military aid, thirteen hundred and fifty dollars ($1,350).

For park commissioners, seven hundred dollars ($700).

For Memorial Day, one hundred and fifty dollars ($150).

For printing and distribution of town report, expense of dog officer and certification of town notes, twelve hundred dollars ($1200).

For unpaid bills for the year 1915, two thousand dollars ($2,000).

For reserve fund, one thousand dollars ($1,000).

For abatement of taxes, two thousand dollars ($2,000).

For interest on temporary loans, twenty-five hundred dollars ($2,500).

For interest on general loans sixty-nine hundred and ninety-one dollars ($6,991).

For municipal indebtedness, eighteen thousand three hundred dollars ($18,300).

For insurance, eleven hundred and seventy-three dollars ($1,173).

For board of health, fourteen hundred dollars ($1,400), and an amount equal to receipts.

Article 7. Voted, that all poll and personal property taxes shall be payable on demand, and all other taxes on or before the first day of October. Interest at the rate of 6% per annum shall be charged from October 15th, on all taxes not paid on or before the first day of November. The collector shall use the means provided by law for the collection of all taxes remaining unpaid after the first day of December.

(The above shall be printed on the tax bills.)

The collector of taxes shall have the same power which the treasurer would have when acting as collector.

If, in the judgment of the collector, in consequence of removal, or any other circumstance, any tax should be collected before the first of October, he is fully authorized to serve his warrant in the collection of such tax at any time. The collector shall guarantee the full amount of all taxes legally assessed and committed to him for collection and shall be held to pay the town treasurer the same, with any interest that may accrue thereon (except such sums as may be abated by the assessors); he shall pay the said taxes and interest from time to time, as he collects the same, and shall

pay the full amount of all taxes committed to him, with the accrued interest, according to statute requirement.

The tax collector shall receive three-fifths of one per cent of the tax warrant for collection of the taxes for the year 1916, payable monthly as and when same are collected, except there shall always be reserved twenty per cent of the amount due him until the total warrant is collected, when the balance shall be paid him; this compensation shall include all expenses.

Article 8. Voted that salaries of town officers be the same as last year.

Article 9. Voted that the unexpended balances for the year 1915 be returned into the treasury.

Article 10. Voted that the sum of three thousand dollars ($3,000) be appropriated to build approaches to the High Rock Street bridge.

Article 11. Voted that the sum of four hundred dollars ($400) be appropriated for repairs on Pierce bridge.

Article 12. Voted that the sum of five hundred dollars ($500) and an amount equal to receipts be appropriated for tuition of pupils in vocational schools.

Article 13. Voted that the sum of one thousand dollars ($1,000) be appropriated for Clyde E. Cookson on account of serious injuries sustained by him while in the discharge of his duties as fireman.

Article 14. Voted that the sum of four hundred dollars ($400) be appropriated to the supervision of the Avery School playground for the season of 1916, and that the same be expended under the direction of the selectmen.

Article 15. Voted that the selectmen be authorized to install lights on Melrose ave., provided abutters pay expense of same.

Article 16. Voted that the selectmen be and hereby are authorized and instructed to sign, seal, execute and deliver to the New York, New Haven & Hartford Railroad Corporation, a deed to a strip of land not exceeding 77,000

square feet adjoining the railroad location and Great Plain avenue, and being a part of the water reservation, so called, and near the bridge on Great Plain avenue.

Said deed to grant an easement to said Railroad Corporation and to be upon condition that said Railroad Corporation erect and maintain at all times a suitable station for the use and accommodation of passengers and the citizens of that section of the town, and to build and maintain proper approaches to said station, the town to reserve all rights in connection with the possible widening of any street or ways leading to or running by said land, so that no damage can possibly be claimed by or accrue to the New York, New Haven & Hartford Railroad Corporation resulting from future changes in grades or widening of town thoroughfares. And upon a failure of said Railroad Corporation to provide suitable station facilities and maintain and actively use the same, then in that event, said easement to terminate and said land and the improvements thereon to revert to the town.

Article 17. Dismissed.

Article 18. Voted that the town accept Avery street from Hillside avenue to Greenough street as laid out by the selectmen.

Article 19. Voted that the town accept Greenough street from Pine Grove street to Avery street as laid out by the selectmen.

Article 20. Voted that the town accept Manning street from Gibson street north two hundred and fifty feet as laid out by the selectmen.

Article 21. Dismissed.

Article 22. Voted that the town appropriate one hundred dollars ($100) for the collection and disposal of garbage, the same to be expended under the supervision of the board of health.

Article 23. Dismissed.

Article 24. Dismissed.

Article 25. Voted that the sum of two thousand dollars

($2,000) be appropriated to purchase the gravel bank on Webster street owned by William H. Carter and authorize the selectmen to acquire it in the name of the town.

Article 26. Voted to lay on the table till next annual town meeting.

Article 28. Voted that the selectmen shall cause the valuation list to be printed in the same manner as in 1915, and the financial and other reports of town officers and committees to be printed and distributed as soon as possible after the first day of January, 1917, and that the head of every department, board or committee authorized to expend money shall at the close of the fiscal year, furnish the town accountant, for incorporation in his annual report, a list of all outstanding liabilities of such board or committee, the same be submitted to competitive bidders.

Voted, that the town clerk cause to be printed official copies of the proceedings of this meeting, one of which he shall send to each officer of the town within two weeks after the final adjournment of this meeting, and shall deliver one copy to any voter or taxpayer in the town who may apply for it, and shall furnish copies of the record of each and every town meeting held during the year for printing, so that they may be bound with the annual report of the town officers.

Article 8. Voted that the finance committee be instructed to prepare and submit to the town at a future meeting an equitable plan for the compensation of the assessors.

Article 29. No action.

At 11.35 p. m. voted that the meeting be dissolved.

Dissolved.

Attest:

THOMAS SUTTON,
Town Clerk.

WARRANT FOR STATE PRIMARY FOR THE ELECTION OF DELEGATES, APRIL 25, 1916.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, ss.

To either of the Constables of the Town of Needham, GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in the Town Hall in said town, Tuesday, the twenty-fifth day of April, 1916, at four o'clock P. M., for the following purposes:

To bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

4 Delegates at Large to the National Convention of the Repulican Party.

4 Alternate Delegates at Large to the National Convention Republican Party.

4 Delegates at Large to the National Convention of the Democratic Party.

4 Alternate Delegates at Large to the National Convention of the Democratic Party.

8 Delegates at Large to the National Convention of the Prohibition Party.

8 Alternate Delegates at Large to the National Convention of the Prohibition Party.

2 District Delegates to the National Convention of the Republican Party 13th Congressional Dist.

2 Alternate District Delegates to the National Convention of the Republican Party 13th Congressional Dist.

2 District Delegates to the National Convention of the Democratic Party 13th Congressional Dist.

2 Alternate District Delegates to the National Convention of the Democratic Party 13th Congressional Dist.

1 District Delegate to the National Convention of the Prohibition Party 13th Congressional Dist.

1 Alternate District Delegate to the National Convention of the Prohibition Party 13th Congressional Dist.

All the above candidates and officers are to be voted for upon one ballot.

The polls will be open from four to eight P. M.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places

in said town at least seven days before the time of said meeting.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this eleventh day of April, A. D. 1916.

SAMUEL H. WRAGG,
GEORGE W. BAKER,
DAVID MURDOCH,
Selectmen of Needham.

OFFICER'S RETURN

NORFOLK, ss.

NEEDHAM, April 18, 1916.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, seven days before the time of holding said meeting.

GEORGE TWIGG,
Constable of Needham.

A true copy of warrant and officer's return.

THOMAS SUTTON,
Town Clerk.

RECORD OF STATE PRIMARY FOR THE ELECTION OF DELEGATES APRIL 25, 1916.

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in primaries, was held in the town hall in said town on Tuesday, the twenty-fifth day of April, in the year one thousand nine hundred and sixteen at four o'clock in the afternoon, for the purpose of electing delegates to the National Convention of the several political parties.

Meeting was called to order by David Murdoch of the Board of Selectmen.

Warrant and officers return was read by the town clerk.

The selectmen having appointed George E. Mitchell, William A. Parks, Charles V. Ruggles and Timothy J. Crowley as ballot clerks, they were severally sworn by the town clerk.

The ballots received from the Secretary of the Commonwealth for use at this election were delivered to the presiding officer and his receipt taken therefor. Cards of instruction and specimen ballots were posted as required by law.

Additional tellers were appointed by the Selectmen and sworn by the town clerk, viz.: Charles M. Donahue, William F. Leach, Bernard F. Whitaker, and Thornton F. Pickett.

The ballot box was publicly opened and shown to be empty, then locked and the key given to Armand J. Mathey, the officer in attendance at the polls. The polls were opened for the reception of ballots at three minutes past four o'clock in the afternoon and in pursuance with the warrant were kept open until eight o'clock in the evening. As the ballots were taken from the box they were audibly counted by the presiding election officer and announced as two hundred and eighty-six, which agreed with the number of names checked by the ballot clerks, one ballot prohibition, six ballots Democratic, and two hundred and seventy-nine Republican were duly sorted and counted separately and public announcement thereof was made by the town clerk, in open meeting, and was as follows, viz.:

PROHIBITION PARTY

Delegates-at-Large

William Shaw, Andover, 1; Alfred H. Evans, Hadley, 1; Daniel A. Poling, Brookline, 1; Frank N. Rand, Haverhill, 1; Albert J. Oren, Sharon, 1; John B. Lewis, Reading, 1; John M. Fisher, Attleboro, 1; Wilbur D. Moon, Lynn, 1.

DEMOCRATIC PARTY

Delegates-at Large

David I. Walsh, Fitchburg, 6; Joseph H. O'Neil, Boston, 5; Humphrey O'Sullivan, Lowell, 5; Charles B. Strecker, Boston, 5.

Alternate Delegates-at-Large

H. Oscar Rocheleau, Worcester, 6; Edmund D. Codman, Boston, 6; Vincent Brogna, Boston, 6; Thomas F. Higgins, Fall River, 6.

District Delegates—Thirteenth District

John J. Prindiville, Framingham, 5; James J. Harold, Waltham, 2; Francis B. McKinney, Boston, 0.

Alternate District Delegates—Thirteenth District

Thomas E. O'Donnell, Medway, 6; Thomas C. O'Brien, Boston, 6.

REPUBLICAN PARTY

Delegates-at-Large

Grafton D. Cushing, Boston, 109; Charles Sumner Bird, Walpole, 108; Augustus P. Gardner, Hamilton, 105; Robert M. Washburn, Worcester, 91; Samuel W. McCall, Winchester, 155; Henry Cabot Lodge, Nahant, 147; John W. Weeks, Newton, 139; Winthrop M. Crane, Dalton, 134.

Alternate Delegates-at-Large

Alexander McGregor, Boston, 95; Lombard Williams, Dedham, 92; Daniel Cosgrove, Lowell, 91; William M. Armstrong, Somerville, 90; Butler Ames, Lowell, 118; Louis A. Frothingham, Boston, 130; Eben S. S. Keith, Bourne, 118; Frank W. Stearns, Newton, 119.

District Delegates—Thirteenth District

J. Randolph Coolidge, Brookline, 108; Frank H. Fales, Framingham, 104; George H. Doty, Waltham, 99; Martin Hays, Boston, 96.

Alternate District Delegates—Thirteenth District

E. Mark Sullivan, Boston, 82; Clifford S. Cobb, Waltham, 88; Llewellyn E. Pulsifer, Natick, 97; Fred H. Williams, Brookline, 98.

The business of the meeting being finished, all the ballots cast were sealed up and endorsed by the election officers and placed in the custody of the town clerk.

The returns of votes were signed by the town clerk and sealed up in open meeting.

Voted that the meeting be dissolved.

Dissolved

THOMAS SUTTON,
Town Clerk.

WARRANT FOR TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To GEORGE TWIGG, a Constable of the Town of Needham in said County,

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the

town of Needham, qualified to vote in elections and town affairs, to meet at the town hall in said town, on Monday, the tenth day of July next, at eight o'clock in the afternoon, then and there to act upon the following article, viz.:

ARTICLE 1. To see if the town will grant an easement to the New York, New Haven and Hartford R. R. Company for depot and station purposes, in two strips of land comprising a portion of the "Water Shed Land" near bridge where Great Plain avenue crosses the railroad track and also a right of way from Great Plain avenue to each of said strips of land.

And you are hereby directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town, at least seven days before the time of said meeting.

Hereof fail not and make due return of this warrant, with your doings thereon unto our town clerk on or before said day and hour.

Given under our hands at Needham aforesaid this twenty-seventh day of June A. D. 1916.

SAMUEL H. WRAGG,
GEORGE W. BAKER,
DAVID MURDOCH,
Selectmen of Needham.

OFFICER'S RETURN

NORFOLK, ss.

NEEDHAM, July 1, 1916.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, more than seven days before the time of holding of said meeting.

GEORGE TWIGG,
Constable of Needham.

A true copy of warrant and officer's return.

THOMAS SUTTON,
Town Clerk.

RECORD OF TOWN MEETING

JULY 10, 1916.

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in

elections and in town affairs, was held in the town hall in said town, on Monday, the tenth day of July, in the year one thousand nine hundred and sixteen, at eight o'clock in the afternoon.

The meeting was called to order by the moderator.

The clerk read the warrant and the return of the officer who notified and warned the inhabitants.

The question was raised as to the legality of the meeting as Sec. 2 of the town by-laws as approved March 30, 1910 had not been complied with, so it was deemed unwise to transact any business. After some discussion the following vote was passed:

Voted that it is the sense of this meeting that the town grant the New York, New Haven & Hartford Railroad Company a deed to an easement in two strips of land not exceeding 59,900 square feet, adjoining the railroad location and westerly of Great Plain avenue, and being a part of the water reservation, so-called, and near the bridge on Great Plain avenue. All are shown on blue print dated June 23, 1916. Said easement to consist of the same rights which the Railroad Company would acquire if it located upon and took said land by eminent domain for depot and station purposes, and also rights of way from Great Plain avenue to said two strips of land.

Voted that this meeting be dissolved.

Dissolved, Attest: THOMAS SUTTON,
Town Clerk.

WARRANT FOR TOWN MEETING

SEPTEMBER 5, 1916

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To SAMUEL F. LIGHT, a constable of the Town of Needham, in said County,

GREETING:

In the name of the Commonwealth of Massachusetts you the hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town, on Tuesday, the fifth day of September next, at eight o'clock in the afternoon, then and there to act upon the following articles, viz.:

ARTICLE 1. "To see if the town will vote to authorize and instruct the executor of the will of the late Myra S.

Greenwood to sell and convey the real estate situated on Nehoiden street, Needham, belonging to the Greenwood estate, or take any action thereon.

ARTICLE 2. To see if the town will grant an easement to the New York, New Haven & Hartford R. R. Company, for depot and station purposes, in two strips of land comprising a portion of the "Water Shed Land" near bridge where Great Plain avenue crosses the railroad track and also a right of way from Great Plain avenue to each of said strips of land.

ARTICLE 3. To see if the town will vote to increase the pay of town laborers, or pass any vote relative thereto.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town, at least seven days before the time of said meeting, and also to leave a copy at each of the several dwelling houses within the town.

Hereof fail not, and make due return of this warrant, with your doings thereon unto our town clerk, on or before said day and hour.

Given under our hands at Needham aforesaid, this eighth day of August, A. D. nineteen hundred sixteen.

SAMUEL H. WRAGG,
GEORGE W. BAKER,
DAVID MURDOCH,
Selectmen of Needham.

OFFICER'S RETURN

NORFOLK, ss.

NEEDHAM, MASS., Aug. 29, 1916.

By virtue of this warrant I have notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, at least seven days before the time of holding said meeting. And by leaving a copy at each of the several dwelling houses as within directed.

SAMUEL F. LIGHT,
Constable of Needham.

A true copy of warrant and officer's return.

THOMAS SUTTON,
Town Clerk.

RECORD OF TOWN MEETING

SEPTEMBER 5, 1915

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Tuesday, September 5, A. D. 1916, at eight o'clock in the afternoon.

The meeting was called to order by the moderator.

The town clerk read the warrant and the return of the officer who notified and warned the inhabitants.

ARTICLE 1. Voted that the executor of the will of Myra S. Greenwood be and hereby is instructed and empowered in the name and behalf of the town of Needham, to sign, seal, execute and deliver a good and sufficient deed conveying the Greenwood homestead on Nehoiden street, Needham, adjoining the old church lot so called; to Martha A. Clarke for the sum of three thousand dollars and the taxes assessed as of April 1, 1916.

ARTICLE 2. Voted that a committee of five citizens be appointed by the moderator to confer with the Public Service Commission and the Railroad Company officials, in order to secure train service at Needhamdale; to arrange details of an agreement with reference to additional land, if same seems necessary, and to take up such other questions as may properly be considered by such a committee, and report its recommendation to the town at the next regular town meeting.

The moderator appointed Samuel H. Wragg, James M. McCracken, G. Waldo Crawley, Louis Hasenfus and William W. Carter.

ARTICLE 3. Voted that the pay of town laborers be two dollars and fifty cents per day from date of passing of this vote. At five minutes past nine voted that this meeting be dissolved.

Dissolved, Attest: THOMAS SUTTON,
Town Clerk.

WARRANT FOR STATE PRIMARY

THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To either of the Constables of the Town of Needham,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are

qualified to vote in Primaries to meet in the town hall in said town, Tuesday, the twenty-sixth day of September, 1916, at four o'clock p. m., for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices:

Governor for this Commonwealth, Lieutenant Governor for this Commonwealth, Secretary of the Commonwealth for this Commonwealth, Treasurer and Receiver General for this Commonwealth, Auditor of the Commonwealth for this Commonwealth, Attorney-General for this Commonwealth, Senator in Congress for this Commonwealth, Representative in Congress for 13th Congressional District, Councillor for 2d Councillor District, Senator for Norfolk Senatorial District, Representative in General Court for 1st Norfolk Representative District, County Commissioner for Norfolk County, Two Associate Commissioners for Norfolk County, District Attorney for Southeastern District, Clerk of the Courts for Norfolk County, Register of Deeds for Norfolk County.

And for the Election of the following officers:

District Member of State Committee for each political party for the Norfolk Senatorial District, Nine Members of the Democratic Town Committee, Fifteen Members of the Republican Town Committee, Delegates to State Conventions of Political Parties.

All the above candidates and officers are to be voted for upon one ballot.

The polls will be open from four to eight p. m.

And you are directed to serve this warrant by posting attested copies thereof in twenty public places seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this twelfth day of September, A. D. 1916.

SAMUEL H. WRAGG,
GEORGE W. BAKER,
DAVID MURDOCH,
Selectmen of Needham.

Seal

OFFICER'S RETURN

NORFOLK, ss.

NEEDHAM, *September* 16, 1916.

By virtue of this warrant, I have this day notified and warned the inhabitants of the town of Needham to meet as within directed, by posting true and attested copies of this

warrant in twenty public places in said town, more than seven days before the time of holding said meeting.

GEORGE TWIGG,
Constable of Needham.

A true copy of warrant and officer's return.

Attest: THOMAS SUTTON,
Town Clerk.

RECORD OF STATE PRIMARY

September 26, 1916

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town on Tuesday, the twenty-sixth day of September, in the year one thousand nine hundred and sixteen, at four o'clock in the afternoon, for the purpose of nominating state and county officers, and to elect members of the state and town committees and delegates to the state convention.

The meeting was called to order by Samuel H. Wragg, chairman of the board of selectmen.

The warrant and officer's return was read by the town clerk.

The selectmen having previously appointed Frank E. Jones, John J. Coppinger, Dana L. Southworth and Kenneth M. Child as ballot clerks, they were severally sworn by the town clerk.

The package of ballots received from the secretary of the Commonwealth, containing the ballots were delivered to the presiding officer and his receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by law.

Additional tellers were appointed by the selectmen and sworn by the town clerk, viz.: Charles M. Donahue, Everett Totman and William C. Payne.

The ballot box was publicly opened and shown to be empty, then locked and the key given to George Twigg, the officer in attendance at the polls. The polls were opened for the reception of ballots at six minutes past four o'clock in the afternoon and in pursuance with the warrant were kept open until eight o'clock in the evening. As the ballots were taken from the box they were audibly counted by the presiding election officer and announced as one hundred and ninety, which agreed with the number of names checked by the ballot clerks.

Nineteen Democratic, one hundred and sixty-seven Republican and two prohibition ballots were duly sorted and counted separately and public announcement thereof was made by the town clerk, in open meeting, and was as follows, viz.:

The business of the meeting being completed, all the ballots cast and the undistributed ballots were sealed up and endorsed by the election officers and placed in the custody of the town clerk.

The returns of votes were signed by the town clerk and sealed up in open meeting.

At eleven o'clock, voted that this meeting be dissolved.

Dissolved.

Attest: THOMAS SUTTON,
Town Clerk.

WARRANT FOR GENERAL ELECTION
NOVEMBER 7, 1916

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To SAMUEL F. LIGHT, a Constable of the Town of Needham, in said County,

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town, on Tuesday, the seventh day of November next, at five forty-five o'clock in the forenoon, then and there to give in their votes for the following officers, viz.:

Presidential Electors, Governor, Lieutenant-Governor, Secretary, Treasurer, Auditor, Attorney General, Senator in Congress, Congressman, Councillor, Senator, Representative in General Court, County Commissioner, Associate County Commissioners (2), District Attorney, Clerk of Courts, Register of Deeds.

Acceptance of Chap 98, General Acts of 1916, entitled "An Act to ascertain and carry out the will of the people relative to the calling and holding of a constitutional convention."

Acceptance of Chap. 104, General Acts of 1916, entitled "An Act to make the first day of January, known as New Year's Day, a legal holiday."

Acceptance of Chap. 179, General Acts of 1916, entitled "An Act to prevent the voters of one political party from voting in the primaries of another political party."

The polls may close at four o'clock in the Afternoon.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town at least seven days before the time of said meeting, and also to leave a copy at each of the several dwelling houses within the town.

Hereof fail not, and make due return of this warrant with your doings thereon, unto ourselves, on or before said day and hour.

Given under our hands at Needham aforesaid, this seventeenth day of October, A. D. nineteen hundred and sixteen.

SAMUEL H. WRAGG,
DAVID MURDOCH,
Selectmen of Needham.

OFFICER'S RETURN

NORFOLK, ss.

NEEDHAM, MASS., November 4, 1916.

By virtue of this warrant I have notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town at least seven days before the time of holding said meeting, and by leaving a copy at each of the several dwelling houses as within directed.

SAMUEL F. LIGHT,
Constable of Needham.

RECORD OF STATE ELECTION

NOVEMBER 7, 1916

In pursuance of the foregoing warrant the inhabitants of the town of Needham, qualified to vote in state elections, met in the town hall on Tuesday, the seventh day of November, in the year one thousand nine hundred and sixteen, at five forty-five o'clock in the forenoon, and were called to order by Samuel H. Wragg, chairman of the board of selectmen.

Voted to omit reading the warrant.

Officer's return was read by the town clerk.

The selectmen having appointed Robert Pidgeon, James Ford, S. Frank Quinlan and Dana L. Southworth as ballot clerks, they were severally sworn by the town clerk.

The package containing the ballots received from the secretary of the Commonwealth, was then delivered to the presiding officer, and his receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by law.

The ballot box was publicly opened and shown to be empty, then locked and the key given to Samuel F. Light, officer in attendance at the polls.

The polls were opened for the reception of ballots at fifty minutes past five in the forenoon and were kept open until seven o'clock in the afternoon, when as had been previously voted, they were closed.

Tellers were appointed by the selectmen and sworn by the town clerk, as follows: William W. Hewett, Charles I. Ruggles, James F. Ryan, George E. Mitchell, Charles J. McCormack, Frank E. Jones, Henry Godfrey, Jr., Albert E. Collishaw.

At the opening of the polls the ballot box register stood at 000.

At thirty minutes past eight o'clock in the forenoon the ballot box was opened and five hundred ballots taken therefrom and again at forty minutes past eleven and two hundred and fifty ballots taken therefrom.

At the close of the polls the ballot box register stood at 1156. As the ballots were taken from the box they were audibly counted by the presiding election officer and announced as eleven hundred and fifty-eight, which agreed with the number of names checked on the list kept by the ballot clerks.

A canvass of all the votes given in was made by the election officers, as required by Chapter 835 of the Acts of 1913, the blank forms furnished by the secretary of the Commonwealth being used.

Upon completion of the canvass of all votes cast, the whole number being duly sorted, counted and recorded, public announcement thereof was made by Samuel H. Wragg, chairman of the board of selectmen, in open meeting, and was as follows, viz.:—

For President and Vice-President of the United States

	NO	212
Blanks		280

For the following act:

"Shall an act passed by the general court in the year nineteen hundred and sixteen, entitled 'An Act to prevent the voters of one political party from voting in the primaries of another political party' be approved and become law?"	YES	514
	NO	230
Blanks		414

The business of the meeting being completed, all the ballots cast, the undistributed ballots, and also the list of voters used, were sealed up and endorsed by the election officers, and placed in the custody of the town clerk.

The returns of votes were signed by the selectmen, attested by the town clerk, and sealed up in open town meeting and delivered to the town clerk.

At eleven forty-five o'clock in the afternoon, voted that this meeting be dissolved.

Dissolved.

Attest: THOMAS SUTTON,
Town Clerk.

VOTE FOR REPRESENTATIVE IN THE FIRST NORFOLK DISTRICT

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

Pursuant to Section 322 of Chapter 835 of the Acts of 1913, the clerks of the towns of Dedham and Needham comprising the Norfolk Representative District number one, at their meeting in Memorial Hall in said Dedham on Friday, the seventeenth day of November A. D., 1916, made out the following schedule of the names of all persons for whom votes for Representative in the General Court were cast in said district and the number of votes for each, as follows, viz.:—

John A. Hirsch of Dedham, eighteen hundred and seventy-three; John F. McCarthy of Dedham, eight hundred and twenty-four.

(Signed) DON GLEASON HILL, JR.,
Town Clerk of Dedham.

THOMAS SUTTON,
Town Clerk of Needham.

DEDHAM, November 17, 1916.

NORFOLK, ss.

This is to certify that I have this day served a certificate of election on John A. Hirsch by giving to him in hand said certificate.

JAMES J. SHINE,
Constable of Dedham.

NOTICE

The attention of parents is called to the law relating to the registering of births. The present requirements are as follows:

Chap. 29, Sec. 6, of the Revised Laws. Parents, within forty days after the birth of a child * * * * shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Sec. 8. A parent * * * * who neglects so to do for ten days after the time limited therefor, * * * * shall forfeit not more than five dollars for each offence.

Attention of physicians and midwives is called to Chapter 19, Sec. 3, Revised Laws.

In accordance with the provisions of the law, the town clerk is prepared to furnish to parents, physicians and midwives applying therefor, blanks for return of births as required by law.

NOTICE

CHAPTER 151, SECTION 29, *Revised Laws of Mass.* If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the city or town in which either of them lived at the time of their marriage a certificate or declaration of their marriage, including the facts relative to marriage, which are required by law, and for neglect thereof shall forfeit ten dollars.

CHAPTER 736, SECTION 16, R. L. Persons who intend to be joined in marriage in this Commonwealth, shall, not less than five days before their marriage, cause notice of their intention to be entered in the office of the clerk of registrars of the city or town in which they respectively dwell, or if they do not dwell within the Commonwealth, in the office of the clerk or registrar of the city or town in which they propose to have the marriage solemnized.

REPORT OF SUPERINTENDENT

To the School Committee of Needham:—

I submit for your consideration my first anuual report of the public schools of Needham. I assumed my duties here the first of April, 1916, and began a study of the the condition and needs of the schools in order that I might pursue intelligently a definite educational policy in my endeavor to serve the best interests of all the pupils. No material changes were attempted until my observations led me to believe that certain changes in matters of organization and management would result in greater accomplishment on the part of the pupils. In order to maintain an efficient school system we must keep constantly in view the aim of education which is the preparation of the individual for a life significant to himself and useful to society. The equipment, programs, and procedure of the schools should contribute to the welfare and social efficiency of all the pupils. The largest possible consideration should be given to the individual consistent with a proper regard for the good of all. The old idea that the child must adapt himself to the established means and methods of education resulted in a system in which those who were fitted by natural endowment were retained and educated, while others who could not follow the system were allowed and even advised to leave school. The new idea incorporated in every useful program of studies and system of practice in teaching recognizes the right of every child to the benefits of education and seeks to fit courses and methods of instruction to the individual needs of the pupils. We now believe that it is the function of the school: first, to guard and promote the pupil's physical development; second, to give him command of language; third, to fix in his mind as many facts, principles and ideals as he can retain in available form; fourth, to aid him in the discovery of special aptitudes and to encourage him to form a vocational aim; fifth, to foster democratic sympathies and ideals of efficiency, self-reliance, and right living. With this view of education we are endeavoring to conduct the management of the schools.

Physical Development

One of the most important functions of the school is to guard and promote the physical development of the pupils.

In the past the teachers of this country gave too little attention to health problems on account of their eagerness to teach all the facts and processes in the curriculum. They did not insist upon the proper amount of fresh air, sunshine and exercise. Young children were allowed to sit in uncomfortable seats for long periods while performing needlessly hard tasks, and the resulting restlessness and inattention was not recognized as a warning of undue nerve strain and exhaustion.

Indoor physical exercises were not well organized, and the great advantages of the play grounds were not appreciated. A decrease in a pupil's rank in school subjects received the immediate attention of teachers and parents, but a decrease in his physical vigor was generally unnoticed.

That condition is being changed rapidly. More thought is being given to school house construction and equipment. In all modern buildings the rooms receive the direct rays of the sun at some period of the day, the temperature and fresh air supply are well regulated, the furniture is adjustable, and, in the primary rooms, of the movable type. High and grammar schools have gymnasiums and athletic fields.

Play grounds are improved and provided with apparatus that invites active exercise on the part of every pupil and organized play is encouraged by every progressive, thoughtful teacher.

We have an ideal suburban town that has unusual advantages for the promotion of the physical development of our children.

The schools should contribute largely to that development. Athletics should be encouraged as a legitimate school activity in our high and grammar schools, and there is no good reason why school credits should not be given for athletic work. The members of our foot ball team distinguished themselves during the past season and brought very favorable prominence to the school and town by the manner in which they played the game. They fought hard for victory but showed the right spirit towards their opponents at all times. Under the direction of a very efficient coach they won ten of the eleven games played, scoring 202 points to 42 won by their opponents.

All those who participated in the games and in practice showed great physical improvement.

Language

To give pupils power to express their thoughts in words and to gain new thoughts from words is a task that

demands the best efforts of all teachers, and in the first three grades the major part of the time should be given to the language group of subjects. With a good working vocabulary of familiar words and ability to read the pupil will progress in his school work. In several of our schools there are many pupils who come from homes where English is not spoken and special attention should be given them in order that they may acquire at the earliest possible time correct habits of speech and a clear knowledge of the meaning of words commonly used.

If more time is given to language and reading in the primary grades, the pupils will be prepared to do the work of the higher grades in less time than is now required.

Teachers

In order to maintain an efficient school system the teaching force must be made up of men and women of education, culture, and training, who are alive to life's activities and duties, and have a knowledge and appreciation of the true aim in education. They must understand children and be masters of the art of arousing interest and ambition.

They must be able to develop a motive for work on the part of each pupil, to impart knowledge, foster initiative, and create a keen desire to gain an honored place in the world through service to mankind. In our great democracy they should be able to develop ideals that will preclude the thought on the part of the pupil of gaining advancement or special privileges through the influence of others. In addition to all this they must have broad views of life and an abiding faith in the ultimate success of their undertaking. Men and women who can measure up to this standard are in great demand in all vocations, and the schools must offer reasonable inducements in order to secure and retain their services.

Forty-one regular teachers and two supervisors are now in the employ of the town. During the year eleven teachers resigned and one died.

All the vacancies except three occurred after the close of the school year in June. The five new teachers at the High School are college graduates. Four of the new teachers in the elementary schools are Normal School graduates, one was graduated from a Kindergarten School and one completed two years in college and then took a partial Normal School course.

Two additional grade teachers will be required at the opening of the schools next September.

Departmental Organization

United States Commissioner of Education, P. P. Claxton, has aptly said: "Our present plan of dividing into eight years of elementary school and four years of high school has no sufficient reason either in physiology, psychology, or pedagogy. At twelve years of age the adolescent period is beginning. Children need another kind of discipline from that they have had in the earliest years. The whole mental attitude is changing. The method of approach to the school subjects should change also. The single-grade teacher should give place to the departmental teacher." That his view is very generally accepted is shown by the rapid increase in the number of junior high schools.

The departmental plan of teaching is similar to that employed in the high school. Instead of having one teacher give instruction in all the subjects of a grade the work is apportioned among the teachers so that each one has one or two principal subjects. The chief advantages are generally believed to be:

1. The teacher having only one or two major subjects to teach may soon become an expert.
2. The teachers daily preparation is better.
3. More thorough scholarship on the part of the teacher is encouraged.
4. More inspiring teaching results from greater knowledge of the subject.
5. The teacher is able to consider values and present what is worth while.
6. It tends to better equipment in the way of books, apparatus and other appliances, as the teacher makes a study of what is best adapted to her work.
7. It makes possible much better articulation with the High School.

There was an excellent opportunity to prepare the way for a modern junior high school by establishing the departmental system of teaching at the Avery and the Kimball grammar schools where the greater part of the pupils of grades six, seven, eight, and nine were located. In conference with the teachers I found that they were prepared to take up the new work with enthusiasm. The principals were particularly interested and studied the problem with a view to its immediate solution. Programs were arranged during the summer vacation after each teacher was allowed to choose one or more subjects in which she had the greatest interest and most thorough training. The plan was put in operation at the begin-

ning of the fall term and the results are very satisfactory.

After the new system of teaching was established at the Kimball School, it was possible to extend its advantages to an additional number of pupils from the Dwight and Harris Schools.

Until the close of the school year in June the Dwight School consisted of grades I—VIII inclusive. The first two grades were located in a portable building. It was a form of organization that was necessary before the Stephen Palmer School was provided. In September the fifteen pupils in grades VII and VIII were transferred to the corresponding grades in the Kimball School and the six remaining grades were accommodated in the main building.

Only three pupils were in the eighth grade in the Harris School and they were sent to the Kimball School.

The Parker School

In June the Parker School had five grades and a membership of eighteen pupils. Of that number five were promoted to the sixth grade of the Kimball School. Only three children were expected to enter the first grade in September making a membership of sixteen distributed as follows: grade I, 3; grade II, 2; grade III, 3; grade IV, 2; grade V, 6. In order to give these children much better educational advantages it was decided to transport them to the Stephen Palmer School where they could enter the existing grades. This change was a decided benefit to the pupils.

The High School

The high school should exert a strong educational influence in every community. Its courses should be shaped with a view to the needs of the pupils. Formerly the chief purpose of the high school was the preparation of pupils for college. The interests of those who were obliged to enter the industries immediately after graduation were given slight consideration. By degrees the public has come to realize that the high school should give equal advantages to all pupils. The old high school buildings were constructed to meet the demands of the old education and do not offer adequate facilities for conducting the work that is now attempted.

Laboratories were not considered important and were located in rooms poorly designed for their purposes. There was no provision for domestic science or commercial work.

Scientific and commercial training are now in the foreground, and the modern high school must offer good advantages in these lines. College preparation will continue to demand a large part of the time and energy of the teachers, but the other work that reaches more than eighty percent of the pupils must be presented with equal force. Our commercial department has shown marked improvement during the year, and we should make it a strong factor in the school. A new equipment of typewriters and commercial furniture is needed. The portable building now in the Dwight School yard could be used to advantage as a commercial room.

Only fourteen percent of the pupils of the town are enrolled in the High School. The number of pupils in the higher classes is much smaller than it should be in a town of this type. A strong effort will be exerted to change this condition.

Your attention is called to the following report of the Principal of the High School.

Mr. Nelson G. Howard,

Superintendent of Schools:

It is with pleasure that I respond to your request for a brief report of the Needham High School.

Education is worth just the difference that it makes in the activities of the individual who has been educated. The aim of education has been variously stated, but the aim of this high school should be very definite for it is located in the midst of exceptional advantages. It is surrounded by almost every kind of college and technical school, and is near the business centre of New England. Therefore the aim of the school should be to prepare pupils for college and other higher institutions of learning, and to so train them in the fundamental principles of business that success will be assured in any one of the many lines open to its graduates.

From the size of the community, and from the number of pupils who are graduated from our grammar schools there should be more pupils in our high school. In another state an investigation was made recently in order to determine why pupils left school before the course of study was completed. Eight hundred cases were studied and it was conclusively shown that "the chief reason for dropping out of school can be traced directly to lack of parental control and interest."

This school is housed in a building whose exterior beauty is the pride of both teachers and students, and is a credit

to the town, but the interior equipment is inadequate and in poor repair. The wiring is so defective that we are unable to use any electric lights; the clock is out of order, consequently the programme of recitations cannot be depended upon, the warning bells are irregular, and parts of the building do not receive any bell for the closing and opening of classes; the toilets upon the second floor are so out of repair that they are in disuse; the business department of the school is greatly in need of larger desks. One room, at least, ought to be equipped with desks having tops not les than three feet long by two feet wide, supplied with pigeon holes and drawers for vouchers, forms, and books. At present it is impossible to secure the careful, accurate, neat work that should be required in book-keeping, because of the confusion of materials and books due to the scant desk room.

Desks similar to those found in places of business would improve the department and react favorably on all pupils, giving them a more serious, business-like impression of the work. The typewriters are so worn that excellent work is impossible. Large classes in science and other subjects are obliged to recite in the laboratory, and the settees should be replaced by tablet arm-chairs in order that written work may be conducted.

The number of pupils enrolled is 193, distributed among the four classes as follows: Freshman 79, Sophomore 53, Junior 29, Senior 28, Post Graduates 4.

Although the pupils have excellent ability, and are ambitious the scholarship is below what it should be. The distribution of marks throughout the school is A (95-100) 6.6%; B (85-95) 34%; C (75-85) 35%; D (65-75) 15.4%; E (65-0) 9%.

In order to help the pupils form better habits of study, the following letter was given to each member of the two lower classes:

NEEDHAM HIGH SCHOOL

TO THE STUDENTS:

The habits of study formed in school are of greater importance than the subjects mastered. If you will follow carefully the suggestion given below, probably you will save time in getting your lessons, will understand the work better, and will remember what you learn longer.

1. THE PLACE IN WHICH TO STUDY: Frequent interruption is fatal to good work, hence select a quiet

place where, if possible, you can be alone. Regard your study-room as your work-shop and make everyone understand that when you are studying, your study-room is sacred to your work; but first of all, make yourself understand that.

2. THE TOOLS AND MATERIALS: Keep the things you need to use where you can put your hand upon them, and have them always in good condition. You should not have to look up your books, pens, ink and pencils, papers, erasers, blotters, rulers, nor to fuss with them when you find them. Be sure that you have good light and that your room is well ventilated.

3. THE TIME FOR STUDY: Set aside a definite time for study and do not allow yourself to do anything else during that time. Make your friends and acquaintances understand that your study time is to be devoted entirely to study.

4. CONCENTRATE: Give your whole attention to your work. Do not allow yourself to think of anything else. Think of other things after you have finished studying.

5. SELF-CONFIDENCE: Be independent. Do not rely upon other people to help you. "No man is a failure until he admits it himself." You can do your work if you are determined that you will do it. "Success is a habit." "Get the habit."

6. MAKE AN OUTLINE OR SYNOPSIS OF THE LESSON. It is quite likely that a part of what the book says is not important, but be sure to decide what is important and to remember it.

7. REPEAT: Go over the outline to fix it in mind, then go over the lesson with neither the outline nor the book before you.

8. REVIEW: Remember that you need to link each lesson with that which has gone before and with what is to follow. Also remember that the lesson is only a part of a greater whole and that you are really studying the subject as a whole—therefore review, review, review. Let every day be review day.

9. BROADEN YOUR OUTLOOK: Talk about your work with your parents, with your associates, with your friends. Read about it in other books, but above all, think about it. It is the most important thing you have to do.

It is hoped that parents will assist and encourage the

pupils in carrying out the suggestions embodied in this letter.

Our football team was one of the best in the state. There is an unusual interest in athletics and it is to be regretted that we do not have an athletic field where all of the school can obtain physical development, not only in playing football, baseball, and hockey, but in tennis, track, volley-ball, hand-ball, etc., where not only the boys, but the girls can participate in games.

The public was given a demonstration of the school spirit at the benefit for the Athletic Association, given at the Needham Theatre, by the courtesy of Mr. Murdoch, on the night of Nov. 24.

Nothing shows the school spirit better than the school council which was formed during the fall term. It is composed of the President of the Athletic Association, the captains and managers of the foot-ball and base-ball teams, the President and Vice-President of each of the classes. This is a representative group whose duties and privileges are to consider matters of school policy, and to suggest means of improving the school in any way. It is gratifying to note that the council has already voluntarily made suggestions for the betterment of the school which have been endorsed by the school authorities. This is a step in the right direction toward student self-government.

The members of the class of 1916 are distributed as follows:

Graduate work in High School 3, College 4, Normal Schools 2, Other Schools 5, At work 21, At home 2.

In closing I desire to express my thanks to the superintendent and to members of the school board for their support and co-operation, to the public spirited women who so graciously supplied blankets for the use of the Athletic teams, and to various citizens who gave the use of their automobiles for the transportation of the foot-ball team to their out-of-town games, and I respectfully ask the same spirit of co-operation from all parents and citizens in our endeavor to develop and to maintain a High School worthy of Needham.

B. C. Merry.

Elementary School Organization

For many years the elementary schools of this town have been organized upon the nine grade plan. Children have been admitted to school at five years of age. The schoolrooms have been equipped with regular seats and

desks of the immovable type so that there has not been much free floor space for purposes of play. The pupils have been expected to do regular school work from the beginning of the course.

Coming from their homes where they played from infancy they have been introduced at once to desks, blackboards and books, and their voluntary movements have been greatly restricted. There is a great gap between the home and the school. To bridge that gap a sub-primary class in which the kindergarten idea of instruction predominates, is necessary in the schools of towns that do not maintain kindergartens. Such a class has many advantages over the regular kindergarten, since the teacher is bound by no one method of procedure and is given a free hand in selecting her methods and devices.

Play is recognized as a very prominent factor in promoting health and in quickening the power of observation. It surely contributes to the happiness of the children. The regular work of the first grade of the present plan can be done more successfully in the sub-primary class after a pleasant approach to school life has been made through language, drawing, hand-craft, music and organized play. In order to conduct sub-primary work it is necessary to have music for games and marching. In September parents and friends presented to the Harris School a phonograph and a suitable supply of records, and the primary teacher has gained excellent results in using them. Measures are being taken to secure phonographs for all the primary schools.

The great majority of the towns and cities throughout the country have the eight grade system of elementary schools Many pupils are coming to us from other towns each year and they find it very difficult to adjust themselves to our system.

It is an easy matter to make a change to the eight grade plan with a sub-primary class, and will make no additional expense unless the present first grade rooms are provided with kindergarten furniture. I recomend that the change be made at the beginning of the next school year.

Home Activities and the School

The belief that a most valuable part of one's education is gained through participation in life's work and interests has been gaining ground rapidly in recent years, and a general movement has been started to encourage pupils to take advantage of the practical educational opportunities offered through home activities.

Three lines of practical education which can be directed from the school and practiced largely at home have been pointed out, viz; manual training, domestic arts and gardening.

An interest in manual training can be aroused by encouraging boys to make minor repairs about their homes. It has been remarked that the men of today do not have the "knack" of their fathers in keeping in order doors, windows, screens, shades, lights, furniture, garden tools, and household implements. They often go to much trouble and expense in the matter of home repairs that are too small to be profitable to the workmen whom they are obliged to employ.

The home duties of a generation or two ago added much to the comfort of the homes and developed independence and thrift.

Domestic arts should be taught to all girls. The school must take the initiative and then extend the work to the homes where mothers invariably take an active interest in encouraging and assisting girls. The exhibition in the town hall last October showed that our girls can accomplish good results under direction.

Home gardening should appeal to a larger number of our pupils. The greater part of the homes have land that can be spared for children's gardens, and with careful school and home direction this very important activity can be made a strong educational influence in the community.

The United States Department of Agriculture through its Massachusetts agents is rendering valuable assistance to the schools in reviving home economics. Boys' and Girls' Home Economics Clubs have been formed throughout the state, and through the co-operation of the parents and teachers much will be accomplished towards re-establishing the home arts that in recent years have been so sadly neglected. It is our purpose to increase the usefulness of our schools by developing the lines of work indicated above, and we respectfully solicit the earnest co-operation of the parents.

The Evening School

During the school year 1915-1916 the evening school was conducted successfully in the Kimball School building for fourteen weeks. The three teachers, Mr. Valentine F. Dunn, principal, and Mrs. H. Isabel Bowditch and Miss Marie L. Wieczorek assistants, showed special aptitude for their work and secured excellent results.

The total enrollment for the term was 83; the average membership, 48.36, the average attendance, 39.9.

The records show that of the number enrolled 46 were born in Italy, 17 in the United States, 14 in Russia, 2 in England, 2 in Newfoundland, 1 in New Brunswick, and 1 in Scotland. There were 54 males and 29 females.

Principal Dunn reports for the fall term of 1916:

"The school opened on October 23, 1916, with the same teachers as last year. The enrollment is 48 this year and is considerably less than last year. There has been a decrease in immigration and only a few educational certificates have been issued to illiterates. Several illiterates have left town to accept employment in other towns.

A few of those who formerly attended are continuing their education in more advanced schools. Although the enrollment is smaller this year, the interest is as strong as in previous years, and the percentage of attendance is higher.

Eleven of the pupils are receiving special preparation for American citizenship. Seven are now ready to take out their first papers, while four already have their first papers and are working with the idea of getting their second papers when the proper time arrives. The general lines of instruction are carried on the same as last year. Birth places of those enrolled: Italy, 35; Russia, 11; Germany, 1; Austria, 1. The membership is composed of 33 males and 15 females."

Work Certificates

During the year two hundred seventy-six work certificates were issued by the superintendent of schools. This number includes many certificates issued to minors who worked during vacations and continued in school. It is also much larger than the number of workers on account of the provision in the law which requires a minor to procure a new certificate whenever he changes his place of employment. Changes have been frequent on account of the great shortage of labor incident to our industrial activity and the ease with which new employment could be obtained. The following is a record of the certificates issued in 1916:

Number of employment certificates, ages 14 to 16	62
Number of literate certificates, ages 16 to 21	185
Number of educational permits	17
Number of illiterate educational certificates, ages 16 to 21	12

The Cost of the Schools

The following table will assist in analyzing the ex penditures for schools .

	1915	1916
Salaries,	$40,917.20	*$43,027.33
Books and Supplies,	2,793.63	1,746.03
Fuel,	3,602.60	3,823.78
Operating Expense,	406.71	438.56
Repairs,	2,933.74	2,646.60
Tuition,	152.40	173.10
Transportation,	959.65	1,181.75
Insurance,	800.00	
School Committee Rooms,	400.49	364.01
Grading and Walks,	513.40	352.00
Evening School,	144.00	252.00
Miscellaneous,	136.24	153.28
	$53,760.06	$54,158.44

*In January, 1916, $1,745.70 was paid on account of salaries of 1915.

The cost of textbooks was $1,077.60 in 1915 and $780.95 in 1916. Supplies cost $1,696.03 in 1915 and $965.08 in 1916.

In view of the abnormal increase in the price of nearly all school supplies the most rigid economy was practiced by the teachers. Fortunately there was a reserve stock of paper in nearly every school, and this with a few lots purchased at a reasonable price carried us through the year. Having used all our reserve stock it is necessary now to purchase at prevailing prices. Notice has been received from several publishers that the price of text-books is to be advanced. The appropriation for textbooks and supplies will have to be increased in order to supply what is needed for the successful work of the pupils.

Anticipating a sharp advance in the price of coal the Committee placed an order in April for the immediate delivery of a year's supply, and arrangements were made for storing it in the school buildings. Formerly only a portion of the coal was delivered during the summer and the remainder was supplied during the winter. The price quoted by the local dealers was $8.00 a long ton (2,240 lbs.) for egg size, and $7.75 for furnace size.

The schools now use about 460 long tons of coal and 14 cords of wood a year. The uncertainty of the market makes it impossible to estimate with any degree of accuracy the cost of fuel for 1917.

$438.56 was paid for operating expense. The increased cost of all janitors' suppplies will make a larger expenditure necessary in 1917.

The cost of tuition was $173.10 last year and will be about the same for the coming year.

The cost of transportation was $1,181.75 in 1916. The cost in 1917 will be nearly twice as much on account of the additional barge, the 20% increase in the cost of street car tickets, and the increased number of pupils transported on street cars and railroad train.

To complete the grading of the Palmer School grounds will require the expenditure of at least $500.00. In 1916 $252.00 was expended for a new granolithic walk and for filling. The janitor, Mr. Krautler, did all the work of grading during the summer and fall, and deserves much credit for his efforts.

The evening school cost $252.00 last year and will cost the same amount in 1917, if the same number of teachers are required.

The miscellaneous expenses were $153.28, which is the normal amount.

Repairs and Equipment

Seven of the eleven school buildings of the town are old, and in order to keep them in repair and replace worn out equipment it is necessary to expend considerable money each year. It is evident that repair bills will increase with the age of the buildings.

During the summer vacation new hard wood floors were laid in the rooms and corridors of the first two stories of the old Avery School, (new floors were placed in the third story rooms last year), and the outside of the building was repaired and painted. The outside wood trimmings of the New Avery School were painted.

The old slate roof of the Harris School had been a source of trouble and expense for several years, and it was decided to remove the slate and re-shingle with asbestos shingles. The work was done thoroughly, and the roof is now in good condition.

The roof and gutters of the Kimball School were repaired and the outside of the building was painted. At the Dwight it was necessary to make extensive repairs to the basement plumbing fixtures, also to replace the outside steps and platform. A granolithic walk was constructed at the Stephen Palmer School and a part of the grading was completed.

At the High School a new cesspool was constructed, new grates placed under the steam boilers, and improvements

made in the shower bath in the boys' locker room. By order of the State Inspector of Boilers the brick walls around the boilers were rebuilt, the boilers repaired, and all galvanized iron pipe leading to the gages replaced with brass pipe. It was necessary on account of the same order to make unusual boiler repairs and replacements at the Kimball, Old Avery, and Eliot schools.

Even with our limited appropriation for schools $2,646.60 was expended for repairs. The interior of the High School building needs extensive repairs. There is insufficient light in the rooms on account of the inadequate amount of window space and the condition of the ceilings and walls. It would be a very difficult problem to provide additional window space in a building of this type, but a considerable increase in the amount of available light can be obtained by repairing and whitening the ceilings, tinting the walls a lighter shade, and varnishing the standing finish.

Some of the plumbing is in poor condition. The electric clock should be repaired. The window shades in nearly all the rooms, and about twenty worn out seats and desks should be replaced, and all the furniture varnished.

The floors in the two school rooms of the Dwight School are in very bad condition

The windows in the Harris and Dwight Schools, and in the older part of the Eliot School are located on opposite sides of the rooms and the cross lights are very harmful to the eyes of the pupils.

This condition should be changed as soon as possible.

SCHOOL SAVINGS

During the two years and three months that the school savings system has been in operation the children have saved $9,241.58. The average amount deposited per week for the school year 1915-16 was $107.21; the amount per week during the fall term ending December 22, 1916, was $116.30.

Report of School Savings for the school year 1915-16.

Total deposits, September 8, 1915	$3,772.17
Amount deposited from September 8, 1915, to June 23, 1916	4,073.85
Total deposits June 23, 1916	7,846.02
Total amount on pass books, June 23, 1916	7,183.85
Withdrawn on pass books	803.76
Balance on pass books	6,379.44

Balance in trustee's account	444.61
Withdrawn on trustee's account	218.21
Sum of totals of pass books and trustee's account	7,846.02
Average amount deposited per week	107.21

Report of School Savings for the fall term ending December 22, 1916.

Total deposits, September 1, 1916	$7,846.02
Amount deposited September-December 22, 1916	1,395.56
Total deposits, December 22, 1916	9,241.58
Total amount on pass books, December 22, 1916	8,463.20
Withdrawn on pass books	911.78
Balance on pass books	7,651.42
Withdrawals on trustee's account	247.01
Balance in trustee's account	531.37
Sum of totals of pass books and trustee's account	9,241.58
Average amount deposited per week	116.30

Conclusion

In conclusion I wish to plead for the earnest co-operation of the parents and citizens in our efforts to make the schools more efficient agencies for promoting the best interests of our children.

I appreciate the loyal, devoted service of the principals and teachers, and the spirit in which I have been received by the boys and girls of Needham. I am grateful to the School Committee for their liberal attitude, and for the support they have given to the policies I have advocated.

Respectfully submitted,

NELSON G. HOWARD.

REPORT OF SCHOOL PHYSICIANS

To the School Committee of Needham:

I herewith submit my report as school physician of the Avery, the Dwight, the Eliot and the Riverside School.

The following table gives a report of my work for the school year 1915-1916:

Number of Visits	137
Number of Physical Examinations	600
Number of Office Examinations	80
Defective Sight	46
Defective Hearing	12
Defective Teeth	305
Hygertrophied Tonsils	14
Adenoids	14
Number of cases of Tonsilitis	14
" " " " Measles	26
" " " " Whooping Cough	6
" " " " Chicken Pox	26
" " " " Scarlet Fever	10
" " " " Diphtheria	3
" " " " Malaria	11

Number	of	cases	of	Influenza	54
"	"	"	"	Skin Disease	1
"	"	"	"	Pulmonary Disease	1
"	"	"	"	Cardiac Disease	2
"	"	"	"	Nervous Disease	3
"	"	"	"	Scabies	3
"	"	"	"	Pediculosis	16
"	"	"	"	Injuries	5
"	"	"	"	Jaundice	2
"	"	"	"	Appendicitis	1
"	"	"	"	Infected Cervical Glands	1

Respectfully Submitted,

WILLIAM MITCHELL.

To the School Committee of Needham:

I herewith submit my report as school physician for the High, Kimball, Stephen Palmer, Harris, and Parker Schools for the year ending June 30, 1916:

Number of visits to the High School	63
Number of visits to the Kimball School	69
Number of visits to the Stephen Palmer School	65
Number of visits to the Harris School	36
Number of visits to the Parker School	40
Number of office examinations	23
Number of physical examinations	724
Number of pupils with defective sight	49
Number of pupils with defective hearing	6
Number of pupils with defective teeth	196
Number of pupils with enlarged tonsils and adenoids	80
Number of cases of measles	4
Number of cases of mumps	1
Number of cases of diphtheria	2
Number of cases of chicken pox	31
Number of cases of malaria	3
Number of cases of influenza	16
Number of cases of skin disease	1
Number of cases of cardiac disease	6
Numberof cases of nervous disease	1
Number of cases of pediculosis	40
Number of injuries	2
Number of cases of scarlet fever	4
Number of cases of appendicitis	1

I take this opportunity to again thank the Superintendent of Schools, teachers, and pupils in the several schools, also the district nurse for their assistance and hearty co-operation.

Respectfully submitted,

ALBERT M. MILLER, M. D.

Report of the Trustees of the Needham Free Public Library

The year 1916 has been an eventful one in the history of our town library, because on the fourth day of May the beautiful new library building was formally opened for the use of the community. The building is not only beautiful architecturally, but it is, on the whole, well adapted to its objects, and a credit to the town. It was supposed by many persons that its location would be unfavorable to a large use, and that the circulation of books would decrease. The figures given by our librarian show that the new library has been popular and that the inhabitants of the town realize that its facilities are superior to anything of the kind that they have heretofore possessed.

Something should be said as to the furnishing of the new building. The libraries in the town hall and at Needham Heights were furnished with oak furniture, which cost, exclusive of the book stacks, about sixteen hundred ($1600) dollars, and the trustees supposed that this furniture would be used in the new buiding, and expected to have it cleansed, polished, and possibly stained. During the winter or early spring they learned that it had been decided by the Building Committee to equip the new building almost entirely with new furniture, and that Mr. William Carter had given one thousand ($1000) dollars for this purpose. Two or three pieces of the oak furniture were stained mahogany color and placed in the new building, other pieces were used in the basement, and a few more were sent to our delivery station at Greendale, where some furniture was much needed. All the rest of the furniture, being town property, was turned over to the Selectmen by vote of the Trustees of the Library.

Anyone familiar with library work must realize that a large amount of labor was involved in combining the two libraries. A great number of books have had to be re-marked, and the work of verifying and perfecting the card catalogue will not be completed for some months.

The year 1916 has not been an easy year for the Trustees or for the employees of the Library.

The moving was done by Mr. Alger E. Eaton in a satisfactory and efficient manner.

EXPENDITURES, 1916

Paid

Miss Esther C. Johnson, librarian	$600 00

*In comparing the circulation of 1916 with the record of 1915 it should be noted that the library building at Needham Heights was closed for five weeks, and the reading rooms at Needham for a period of about three weeks. The statistics for January, February and March of 1916, at Needham and Needham Heights are included in the circulation of main library.

Report of the Park Commissioners

To the Citizens of the Town of Needham:

The Park Commissioners have given considerable time during the past few months to the study of a comprehensive system for Parks, Public Reservations, Playgrounds and Town Planning, with particular reference to the future. We believe that the time has come when definite plans should be made to care for the future necessities and possibilities of this character, and earnestly recommend that prompt action be taken to accomplish this purpose. With this thought in mind, we have prepared articles for the warrant to be voted upon at the March town meeting, calling for the appointment of a Town Planning Committee, consisting of the Board of Selectmen, the Park Commissioners and three others, to take up this work.

The present Park system serves a very good purpose in calling attention to the fact that open spaces can be made spots of beauty. Noyes Park, our most recent acquisition, is a striking example of what can be done to beautify a neighborhood. A new flag pole, which will be erected on this park in the spring, will add a patriotic dignity to that section which might well be copied in other locations. Thorpe Memorial Park and Vesta Park are other examples of this kind of work, though on a smaller scale and of a different type.

It has been the custom of this department in the fall to plant bulbs for spring blooming in the mounds on the Common at Needham Heights, and in the railroad mound at Needham. We believe this custom is well worth encouraging, and have extended the practice to all the parks and triangles, either in open spaces or among the bushes, that come within our control.

Our postal card request in the spring to the residents of the town to add to its attractiveness by making additional plantings of flowers, trees and shrubs met with such general approval that we shall repeat the request this spring.

The bathhouse at the Charles River Park reservation, South Street, has been well attended this season. The superintendent, who has been on duty daily during the months of July and August, between 1.00 and 5.00 P. M., has taught many of the girls and boys to swim. Now, although we believe this bathhouse is serving an excellent purpose, it is limited in its usefulness on account of its distance from the centre of the town. We therefore recommend that a bathhouse be erected on the shore of Rosemary Lake. This location would better serve the various parts of the town, and aswim-

ming pool could be made there which would be perfectly safe for the use of young children. This cannot be claimed for the location at South Street, as the swift current of the river has an element of danger which discourages its use for the very young.

We also recommend that the water shed, connected with the water department, be attached to the park department.

CHARLES W. PEASE,
ARTHUR G. CURREN,
Park Commissioners.

Overseers of the Poor

The Overseers of the Poor hereby present their report for the year 1916, the Third Annual Report since the Board was organized as an independent department. It will be seen from the schedules attached hereto that the Town has shared in the general prosperity of the country during the past twelve months.

A law with reference to "settlements" which simplifies decisions as to what community is responsible for cases coming before this department, Chapter 669, enacted in 1911, took effect in August, 1916, and resulted in the transfer of a number of cases. This law has tended to simplify a part of the work which occupied considerable time in the past, but it does not materially help in the matter of expense.

The Board will gladly give further information concerning the law to those who desire it, and we believe that it is going to prove of greater help as time goes on.

We wish to acknowledge with thanks, assistance we have received from the Visiting Nurse, and still believe, as stated in our last report, that a still closer co-operation between the various organizations whose object is the bettering of the condition of poor people will work to the decided advantage of the Town.

We also call attention to the fact shown in our Statistical Report that the cost of this department to the Town has dropped 12c per capita as compared with 1915.

SCHEDULES OF EXPENDITURES FOR THE YEAR 1916 ENDING DECEMBER 31.

Register Number	Personal	Duration of aid	Type of aid	Amount
325	Widow	52 weeks	Board	$156.17

TOWN OF NEEDHAM

ANNUAL REPORT

OF THE

BOARD OF SELECTMEN

FOR THE YEAR 1916

NEEDHAM
The Chronicle Press
1917

Report of the Board of Selectmen

This, the two hundred and fifth Report of the town of Needham, gives in brief a general outline of the work accomplished, suggestions and recommendations in connection therewith. The departmental reports show in detail what changes have been made to promote efficiency, and what others are desirable in the near future towards further progress in that direction. The Board welcomes suggestions from the citizens in regard to anything that tends to promote and improve general conditions. The duties of the board lie solely in caring for the best interests of the town in general, and trust that its efforts in that direction have met with a fair degree of success during the year just ended. Our town is growing rapidly, and its citizens are of a most desirable class. The government of the town, if it is to keep pace with this gratifying growth, must call to its service the best equipped of its people in all its various departments. On the other hand, its ablest men and women may greatly aid in town welfare and development by earnestly interesting themselves in town affairs, if only as unbiased critics, and so stimulate a larger general interest.

HIGHWAYS

A detailed report of the work accomplished, and itemized statement of just how the appropriation under this heading was disbursed will be found on another page, signed by the superintendent, Henry D. Blackman.

Special attention should be given to the fact that several of our streets, built some years ago, of water bound macadam are now showing signs of the increased traffic conditions of today, and need immediate resurfacing and treated with a preservative binder. It will be necessary to increase the appropriation of this department to keep our highways up to the standard, and we are advised by the Massachusetts Highway Commission, that after a careful study of street appropriation in the average towns, they recommend an appropriation of $3 per $1000 valuation. It is the intention of the Board to see that all of the equipment necessary in the Highway Department is put in first class condition before the work of the season commences. The Crusher, now located at the ledge on South street, will be removed to the new ledge on Central avenue, and erected permanently there, and put under cover. The moving of this crusher and setting it up in a practical manner will cost approximately fifteen hundred dollars. This amount, together with a conservative estimate of the work that is absolutely necessary

on the highways during the coming year makes it necessary for this department to have an appropriation of not less than twenty-six thousand, five hundred dollars, made up as follows:

Street Cleaning	$3000 00	
Fencing	250 00	
Drainage	750 00	
General Expenses	3000 00	
Street Repairs	4500 00	
Road Preservatives	3500 00	
Street Construction	10,000.00	
Removing and Erecting Crusher	1500 00	
		$26,500 00

APPROPRIATED BY STATE AND COUNTY

The selectmen made application for and were awarded two thousand five hundred dollars ($2500.00) by the Massachusetts Highway Commission, also one thousand, five hundred dollars ($1,500) by the Norfolk County Commission. These amounts, together with two thousand, five hundred dollars ($2,500) of the Highway appropriation enabled us to build 2700 feet of permanent construction in the Needhamdale section on Great Plain avenue, starting at a point near South street, and finishing at Hillcrest road. Also building 1500 feet of permanent construction at the Wellesley end of the town, on Great Plain avenue, starting where we left off last year and continuing up to Mark Tree road.

The Board had every reason to believe their application for similar amount to the Massachusetts Highway Commission and County Commission to continue this line of work during 1917, will be granted. And if so, the main lines of entrance into our town will then be in excellent condition.

SIDEWALKS

It is for the best interest of all that our town continue along the lines of improving sidewalk conditions, and special attention should be given this year to establishing sidewalks on many of the streets where no sidewalk exists today. Applications for granolithic sidewalks continue to accumulate in the Selectmen's office for lack of funds to meet all requests. Many permanent improvements in the town have been accomplished during the past year by the laying of granolithic sidewalks, as will be seen by the Superintendent's report.

IMPROVED TRAFFIC CONDITIONS

The increased traffic conditions of today, occasioned by the general use of automobiles, and continued growth of our town, have made it necessary to improve and regulate the

traffic conditions. At the corner of Great Plain avenue and Dedham avenue, Mr. Clifford Locke kindly deeded to the town a hundred and thirty-three square feet of land. This, with the removal of the drinking trough, long established there, eliminated one of the most dangerous corners in our town. The drinking trough at the corner of Highland avenue and Hunnewell street has been removed for public safety. By special arrangement with the First Baptist Church, a parcel of land at the corner of Highland avenue and Great Plain avenue has been deeded to the town, and this particular corner considerably improved. Arrangements were made with the owners of the new property on Chapel street whereby the building was set two feet back, giving the town this extra width on Chapel street.

A number of extra large "Keep to the Right" signs have been distributed over town, as well as a number of cross roads signs. Police Traffic signs have been stationed at most congested points in town with excellent results.

HIGH ROCK BRIDGE APPROACHES

The erection of the bridge over the railroad tracks on High Rock street has now been completed by the N. Y., N. H. & H. R. R. Co. During the course of construction the selectmen advertised in the Boston papers for bids on the work of building the approaches, and although a number of firms made application for specifications, only one firm submitted a bid, which amounted to approximately five thousand, eight hundred dollars ($5,800). The special appropriation by the town for this work was three thousand dollars ($3,000). After careful study and investigation it was decided to have this work done by the town's Highway Department under the supervision of Mr. Blackman, and very satisfactory progress had been made up till the time winter weather stopped the work, which will be started again in the early spring.

Seventeen hundred dollars of this appropriation has now been spent. Considerable of the filling has been taken out of High Rock street (west side) where it is higher than will be necessary when this street is built. Sufficient of the work has been completed to make a safe passage way from one side of the bridge to the other, and altogther we feel that the Highway Department has made excellent progress on this particular piece of work.

THE POLICE DEPARTMENT

A number of very important cases have been handled in a very satisfactory manner by this department during the past year. With the increased demands on the different officers, occasioned by the congested traffic conditions, and

the continued increase of population, it becomes absolutely necessary to have a day officer. Chief MacKenzie, who has given faithful and efficient service to this department for the past twenty years on night duty, will be requested to report for day duty, commencing about March 1st, and another officer will take up the work of night duty. A detailed report of this department will be found on another page, signed by the Chief.

THE FIRE DEPARTMENT

We have been fortunate this year in that we have had very few fires compared with the last few years, and considerable credit is due Chief Upham and his men for their prompt response to all alarms which prevented any serious damage. There is still the same old complaint that at times when the wind is high, the fire alarm bell on the Congregational Church cannot be heard in certain sections of the town. This is a matter which has been investigated during the past year and may prove very serious at some time unless steps are taken to improve the existing conditions. It is recommended by the selectmen that some suitable whistle ought to be installed on top of the Town Hall.

During this year a Citizens' Committee with Mr. Samuel H. Wragg as chairman, have taken up the question of motor Fire equipment. A number of public meetings have been held and visits made to towns of a similar size. A complete report from the above committee will be submitted at the annual Town meeting in March.

FOREST WARDEN

This department has been under the supervision of Chief Upham who in turn appoints a number of assistants in the different sections of the Town. We have been very fortunate during the past year in that we have had no serious fires. During the year a representative of the State Foresters' department had a conference with the Chief, Selectmen and finance committee, relative to the building of an observation tower at Waltham. Each of the different towns to be served by this tower have been requested to contribute their share in the cost of building. The state is responsible for the maintenance of this tower when erected. Our share of the building of the tower will be $100 and an article will appear in the town Warrant for a special appropriation for this amount.

FIRE ALARM

During the year considerable new wiring has been installed and the entire system is now in good practicable condition.

The mechanism at the tower on the Congregational Church has been adjusted and a number of improvements made so that in the future it is expected there will be no confusion on the ringing of the proper numbers at an alarm.

A number of new fire alarm boxes have been placed at different points, and all fire boxes in first class condition. At Station No. 1 and Station No. 2 there has been installed the new excelsior punch register and take up reel which keeps a permanent record of the number of each alarm.

WIRE INSPECTOR

The work of this department was under the supervision of Mr. T. F. Pickett and special attention has been given to see that all wiring both for old and new buildings complied with the requirements of the law.

UNDERGROUND WIRES

It is important to mention that during 1916 the Edison Company had all their wires on Dedham avenue from Great Plain avenue to Pleasant street, laid under the sidewalk, and it is practically assured that each year certain sections of the present overhead wiring will be put under ground.

GYPSY MOTH

This department will be operated under improved conditions during the coming year. Arrangements have been made with Superintendent Riley whereby he will give his personal attention to this work. We ask the co-operation of owners of property in helping this department in the suppression of Gypsy and Brown Tail Moth. The State Law requires property owners to exterminate Gypsy and Brown Tail Moths on their premises. The superintendent would be pleased to furnish information as to how this work should be accomplished.

BUILDING INSPECTOR

The work of this department has been carried on with scrupulous regard to the requirements and to the distinct advantage of all concerned by Inspector Frederick Sutton, and a complete detailed report of his work will be found on another page. The inspection of plumbing is also under the jurisdiction of the Building Inspector, who appoints the plumbing inspectors and is authorized to issue all plumbing permits. All parties interested in building and plumbing are advised to make application to the inspector for a copy of the laws governing same.

TOWN ACCOUNTING

The state system of accounting installed during 1914 has proven practical and efficient.

PLAYGROUNDS

At the last March Town meeting a sum of four hundred dollars ($400.00) was appropriated to be spent under the supervision of the selectmen in furnishing equipment and entertainment for the school children during the summer. We were fortunate in securing the services of Miss Eunice Rae as instructor, and Mr. Percy Quinlan as assistant instructor, both local residents, with the necessary qualifications to conduct this work to a successful issue. A number of new playground equipments were purchased and a larger number of children attended daily during the season than in previous years. The work was very much appreciated by both children and parents. A number of outdoor exercises were given on the Cricket field and in front of the Town Hall during the time of our exhibition, which demonstrated to the satisfaction of all that this is a practical method of entertainment for our rising generation, and ought to be conducted on a larger scale in the future. The services of Miss Rae and Mr. Quinlan were very much appreciated by the pupils, town officials and general public.

STREET LIGHTING

The contract for street lighting with the Edison Company was made for a period of twenty years and continues in force until 1928. At present the town is lighted on what is known as the "Moonlight Schedule," although it is not considered entirely satisfactory.

The most notable improvement during the year 1916 in this department was the installing of twelve new 600 candle power lights on Highland avenue, from the First Baptist Church, Needham, to the Methodist Church, Needham Heights. A number of new smaller lights were installed at a few necessary points and it is contemplated improving the lighting system of the town by installing these larger lights at the most important points gradually from year to year.

BY-LAWS

The new By-laws became effective January 1st, 1917, and copies can be had on application to any of the officers of the Town Hall.

The foregoing reports include those matters coming under the jurisdiction of the Selectmen, which are considered of sufficient importance to warrant their appearance here.

SAMUEL H. WRAGG,
DAVID MURDOCH,
GEORGE W. BAKER,
Selectmen of Needham.

Highway Department

To the Honorable Board of Selectmen,

Gentlemen:—

I herewith submit my report of the Highway Department for the year ending December 31, 1916.

Unusual conditions in the early part of the season left some streets in very bad condition, making it necessary to reconstruct as many as possible.

STREET CLEANING

As early as the weather would permit we began cleaning gutters and drywells, the season being late general cleaning was delayed. All the streets were cleaned in the Spring, the usual amount of cleaning has been done in the villages. Horses used on Fire department have been used in cleaning, the Fire department bearing one-third of the expense.

FENCING

1492 ft. of fence was built at a cost of 17c per foot.
484 ft. on Great Plain avenue near Central avenue.
900 ft. Garden street and 108 feet at Hurd's corner.
At Upper Falls bridge 110 ft. received new plank.

DRAINAGE

6 dry wells and 375 ft. of 8 in. pipe have been laid as follows:

On Great Plain avenue, near Green street, 70 ft.; near Broad Meadow road, 55 ft., with one dry well; junction of Dedham avenue, 50 ft.; on Hunnewell street (see construction); Bradford street, one dry well, near Mr. Rideout's.

BRIDGES

Day's bridge on Chestnut street has been replanked with 2 in. hard pine. Labor and material costing $87.57, received for old lumber sold, $4.00. Pierce's bridge on Charles River street received extensive repairs, 4 stringers 6 in. x 16 in. x 30 ft. were placed between the old ones, and replanked with 3 in. hard pine. This will last as long as the piling, when a new bridge will be necessary. A special appropriation of $400 was made for this work.

Cost of material	$271 26
Labor and teaming	71 75
Balance	56 99
	$400 00

STREET SIGNS

Several signs have been destroyed by automobiles; these have been replaced. Two new signs have been placed at corner Highland and Great Plain avenues, also several large traffic signs.

STREET REPAIRS

On the main thoroughfares a more permanent method of repairing has been used, consisting of "Barrett's Cold Patching Material" mixed with fine crushed stone, and then applied to the street. For very light patches, Tarvia B. mixed with coarse sand gives good results, and is not so expensive. In this work 1000 gal. Tarvia B. has been used, costing 7 1-2 cents gal. in barrel at freight depot; 1650 gal. cold patching costing 10 cents.

The following streets received more than ordinary repairs:

Charles River St., near Grove St.	$175 00
Greendale Ave., near P. J. Reid's	125 00
Garden St.	31 25
West St., near Central Ave.	78 67
Warren St., near A. E. Eaton's	119 60
Repairing with Tarvia	677 25

STREET CONSTRUCTION

On account of the conditions of several streets it seemed advisable to use as much as possible of the appropriation on permanent construction.

Through the efforts of Your Board in securing the co-operation of the Massachusetts Highway Commission, and Norfolk County commissioners, in agreeing to bear part of the expense in building certain sections of Great Plain avenue, we have been able to make this the banner year in permanent construction, having built 8400 lineal feet or 1 3-5 miles, varying in width from 18 to 26 feet wide. 28,178 gallons of Tarvia X. and 4485 gallons of A. were used in this work, costing 9 cents a gallon delivered in auto trucks, at a total cost of $2939.69.

CHAPEL STREET

From Highland avenue past the Needham Garage. With the co-operation of the Middlesex & Boston St. R. R. a much needed improvement at a small cost to each, was accomplished. The car track was raised to grade and the paving replaced with crushed stone and Tarvia.

HIGHLAND AVENUE

From May street to Town Hall was spiked with steam roller, some portions removed, and a 4 inch top of crushed stone, with tarvia penetration.

HUNNEWELL STREET

From West street to Highland avenue. A part of this had poor drainage. The drain from Mark Lee road to Highland avenue was taken up, cleaned and relaid to a depth of 3 feet, two dry wells were added to this section, also 175 ft. of new pipe connecting to main drain on Highland avenue. One dry well and 25 feet of pipe was laid south of Lee street. Instead of refilling the trench with dirt, small stones were used, giving the water a chance to filter to the pipe. This work cost $177.50, not including extra pipe, which we had on hand. This street required considerable work on the sub grade, then a surface of crushed stone, 4 in. to 6 in. thick was spread to grade. One coat of Tarvia X. was then applied.

GREAT PLAIN AVENUE

Warren street to Pickering. 300 sq. yds. was removed to a depth of one foot, and refilled with small stone left from screening sand, which we had on the school lot near by; 6 in. of crushed stone was then applied, and two coats of Tarvia X. This should be continued to Highland avenue the coming season. A second section of this street toward Wellesley, beginning near Mr. May's residence to Marked Tree road was constructed according to specifications furnished by the Massachusetts Highway Commission, they paying $1000 of the cost. 250 ft. was widened four ft. and raised one ft., making a much better grade. A surface of 6 in. of crushed stone, penetrated with Tarvia X and a seal coat of Tarvia A. makes a road that should give good service. This makes one and one-half miles from Wellesley line to Marked Tree road, of Tar Macadam.

In the Needhamdale section a part of same street has been constructed, the State paying one-third cost, the County one-third and Town a third. This was built under State specifications.

MARKED TREE ROAD

Beginning at Great Plain avenue this street was constructed a distance of 1100 ft. This was a much needed improvement as this section is developing very fast.

WARREN STREET

From May street to Great Plain avenue. This street was in very bad condition, in regard to grade, and the material in the road, which consisted of a thin coat of gravel with a loam foundation. The gravel was taken off, the loam removed, and a foundation of gravel bank stone from Hurd's pit was put in and thoroughly rolled, the gravel was then replaced, rolled, and a four-inch surface of crushed stone

spread to grade; this was rolled and given a light application of Tarvia X. The loam was sold for filling, for which the town received $94.20.

RECOMMENDATIONS

That a permanent "Crushing Plant" be erected at ledge on Central avenue, using such parts of the plant, located on South street, as are suitable, with a bin capacity of 150 tons.

That the "Portable Plant" at Central avenue be moved to the Hurd pit and put in good condition, as there is a large amount of available stone in that pit ready for the crusher.

I wish to call your attention to the condition of some of our water-bound Macadam roads, which have given good service in the past, but are deteriorating fast. These streets were not built to stand the traffic of the present, and will

have to be resurfaced with stone and some form of binder used. Chestnut street from Great Plain avenue to School street, South street from Chestnut to Mr. Blackenburg's, Great Plain avenue from Linden to Marked Tree road are in the worst condition.

This work, with the new construction that is necessary, and general repairing, requires a much larger appropriation than we have had in the past.

Under present traffic conditions, more expensive form of construction, shorter hours and higher cost of labor, $16,000 will not accomplish as much as a much smaller sum a few years ago.

The Massachusetts Highway Commission, after a careful study of street appropriations in the average Town, consider the amount of money for Highways should be about $3.00 per 1000 of valuation.

In 1916 our appropriation was $1.90 per thousand on 1915 valuation. We should have not less than $25,000, which would equal $2.57 per thousand.

In closing I wish to thank you for your efforts and co-operation in helping to accomplish the results obtained.

Respectfully submitted,

H. D. BLACKMAN, Superintendent

Report of Fire Department

Needham, Mass., Dec. 31st, 1916.

To the Honorable Board of Selectmen of Needham:

Gentlemen:

I herewith submit the thirty-first annual report of the Needham Fire Department.

The Department has responded to thirty-four calls during the year, seventeen of which have been by signal,—i. e., by means of the Fire Alarm.

ANALYSIS OF CAUSES

Defective chimney	9
Incendiary	4
Burning rubbish	2
Sparks from locomotive	2
Carelessness	2
Short current	1
Rats and matches	1
Children and matches	1
Vulcanizer	1
Unknown	7
False Alarms	4
Amount of hose laid for Fire Service	4400 ft.
Number of feet of ladders used	470
Amount of Chemical used	260 gals.

Relation of values, insurance and loss by fire during the year:

Value of Buildings	$18,700.00
Insurance on same	16,150.00
Loss on buildings	2,235.00
Insurance paid on buildings	2,725.00
Value of contents	15,700.00
Insurance on same	8,600.00
Loss on contents	3,750.00
Insurance paid on same	3,653.84

The present arrangement for furnishing horses for the Department is the best to be had. To improve conditions necessitates the keeping of horses in the stations the entire time. The expense of this is prohibitive, which fact leads immediately to the consideration of motor service.

The expense last year to the Department for the guaranteeing only of horses, available to answer all alarms of fire, was $384.85 charged by the Highway Department to the Fire Department. The total expense for horses for the year was $994.25. The nominal expense under this item would be $1500. This is an appreciable amount that could be applied to the cost of operation of motor service.

The town of Needham should adopt some plan of improved service for the Fire Department, and work it out through a term of years if necessary. But having adopted

the plan, appropriations would be made with the idea of attaining a definite result, assuring a systematic approach to a state of highest efficiency. Such a plan, of course, would include the displacement of horse-drawn apparatus for that of the motor. It would also discourage the purchase of apparatus of initial low cost, and consequently high cost of upkeep and short life. By such a plan the advance would be effective though slow.

I understand that a citizens' committee has undertaken the study of the needs of the Fire Department relative to the installation of motor apparatus, and other means of efficiency. The demand for motor equipment becomes more imperative yearly, and their conclusion will, undoubtedly, be for its adoption.

The necessity of a compressed air whistle for the fire alarm is also urgent and should receive immediate consideration. The town will be dependent upon call men in the service for many years to come, and the bell alarm is neither positive nor audible at all times.

The inside of the Fire Stations have been renovated during the past year. They should be painted on the outside in addition to a few minor repairs.

Some of the apparatus should be painted. The Hook and Ladder Truck is especially in need of overhauling.

INVENTORY.

HEADQUARTERS.

Station No. 1, land and buildings	$2500 00

H. HOWARD UPHAM,
Chief of Fire Department.

Report of Forest Warden

To the Honorable Board of Selectmen,
Gentlemen:—

I beg leave to submit my eighth annual report as Forest Warden.

I have issued during the past year 917 permits. I have complied with the statutes regarding the publishing of notices in the Needham Chronicle, and to the posting of notices.

This has been one of the most satisfactory years since the office was established, there having been but two alarms of fire due to the burning of rubbish, and very little property damage.

It pays to be careful.

EXTRACTS FROM MASSACHUSETTS FOREST LAWS.

1. *Setting fire to growing wood or timber of another.* Punishment by a fine of not more than $100.00 or by imprisonment for not more than six months. R. L. 208, Section 7

2. *Letting fire escape.* Negligently allowing fire to escape from your own land to adjoining land. Punishable by a fine of not more than $250.00, also liable for damages. R. L. 208, Section 8-9..

3. *Forest Wardens not liable to arrest for trespass.* Wardens, Deputies and Assistants, not liable for trespass while acting in the reasonable performance of their duties. Acts 1907, 475, Section 6.

4. *Permit to light fire in the open.* In any city or in towns so voting a permit from the Forest Warden must be obtained to start a fire between March 1 and December 1. The only exception being that debris from fields, gardens or orchards, or leaves and brush from yards may be burned on ploughed fields by the owners thereof, their agents or lessees, but in every case such fire shall be at least two hundred feet distant from any forest or sprout lands, and at least fifty feet distant from any building, and provided further that persons above eighteen years of age may maintain a fire for a reasonable purpose upon sandy or barren land, if the fire is enclosed within rocks, metal or other non-inflammable material, but in every case such fire shall be properly attended until extinguished. Violation of this provision—punishable by a fine of not more than $100.00 or imprisonment for not more than one month or by both such fine and imprisonment. Acts 1908, 209, Section 1, as amended by Chapter 244, Acts 1911.

5. *Arrest without warrant.* The Forest Warden or any of his deputies may arrest any persons setting or maintaining a fire in violation of the provisions of this Act. Acts 1908, 209, Section 4, as amended by Chapter 244, Acts 1911.

6. *Penalty for refusing aid.* Any person between the ages of 18 and 50 years who refuses, without good cause, to assist the Forest Warden or his Deputies in the fighting of forest fires is liable to a fine of not less than $5.00 nor more than $100.00. R. L. 32, Section 21; 1907, 475, Section 3.

7. *Disturbing notices.* Whoever wilfully tears down or destroys any notice posted under the provisions of this Act shall be punished by a fine of $10.00. Acts 1907, 475, Section 7.

Law Relating to Brush or Slash.

The law relating to disposal of slash or brush following wood or lumber operations is as follows:

1914, 101, Section 1. Every owner, tenant or occupant of land, and every owner of stumpage, who cuts or permits the cutting of wood or timber on woodlands owned or occupied by him or on which he has acquired stumpage by purchase or otherwise, and which borders upon the woodland of another or upon a highway or railroad location, shall clear the land of slash and brushwood then and there resulting from such cutting for such distance, not exceeding forty feet, from the woodland of such other person, highway or railroad location as the local forest warden shall determine, and within such time and in such manner as he shall determine.

1914, 101, Sect. 2. Any person who cuts or causes to be cut trees or brushes or undergrowth, within the limits of any highway or public road shall dispose of the slash and brushwood then and there resulting from such cutting within such time and in such manner as the forest warden of the city or town wherein such cutting is done shall determine.

1914, 101, Sect. 3. Whoever neglects to comply with the directions of the forest warden with regard to the disposal of slash and brush, as provided in Sections one and two of this act may be punished by a fine of not less than $5.00 nor more than $50.00.

1914, 101, Sect. 4. This act shall take effect on the first day of January in the year nineteen hundred and fifteen.

Respectfully submitted,

H. HOWARD UPHAM, Forest Warden.

Report Superintendent Fire Alarm

To the Honorable Board of Selectmen,

Gentlemen:—

The following report of the Fire Alarm Department for the year 1916 is respectfully presented herewith:

The system as a whole is now in good working order and with the exception of the tower striker at the Congregational Church has given very little trouble during the past year. There were but three interruptions to the lines, and these were all from unpreventable causes.

Owing to the high price of all metals, but three miles of new wire was purchased in the year 1916. This was used in replacing old wire on Highland Avenue between Hunnewell Street and Box No. 35 at Upper Falls, and to extend Circuit No. 1 from the corner of Mark Lee Road to Highland Avenue on Webster Street.

Minor repairs to the overhead lines have been made at a number of places to keep the system in as perfect condition as possible.

Three new fire alarm boxes of the positive non-interfering successive type have been purchased and installed: one on Hillside Avenue, opposite Dailey's Box Factory, No. 314; one at the corner of May Street and Highland Avenue, No. 19; one at the corner of Cedar Place and Chestnut Street, No. 243. The old box No. 19 has been repaired, modernized and placed at the corner of Brookline and Manning Streets, No. 34; Box No. 245 has been moved from Chestnut Street at Needham Junction to the corner of Chestnut and High Rock Streets. Since all the new boxes purchased in the last three years, six in number, have been of the non-interfering successive type, we now have 42 fire alarm boxes in service and the non-interfering boxes are all placed in the most congested districts. The numbers of the non-interfering box-boxes are a follows: 243, 28, 19, 31, 37, 314.

One Excelsior Punch Register with take up reel has been installed in Station House No. 1, and has already proven its value as a positive means of determining the number of the box pulled and as a permanent record of all alarms sent in, as well as all interruptions to the service.

Two tappers have been removed from firemen's residences, one from the former residence of Mr. Wm. Slaney and one from the residence of the late Mr. Frank Scotton. These have been installed, one at the residence of Mr. A. H. Whetton on Webster Street, and one at the Hopewell Ry. Signal Co. office.

Circuit No. 3 (Charles River) needs attention, but with new cross arms to replace those at present in use, the lines on South and Charles River Streets, will probably be good for two or three years yet. The section of Circuit No. 5 on Central Avenue, between Hurd's Corner and Box No. 59, should be replaced at the earliest possible date.

The present rack for holding the storage batteries is in poor condition, as well as entirely too small for efficient handling of the batteries. It is recommended to replace this rack with two all steel racks with suitable glass insulators, and to re-wire all circuits to the batteries in the Battery Room.

Three new fire alarm boxes of the positive non-interfering type are recommended to be placed as follows: One at Rosemary Street and Hillside Avenue, replacing Box No. 49; one at Hunnewell Street and Hillside Avenue, replacing Box No. 56; one at Highland Avenue and Webster Street, replacing Box No. 36.

The three old boxes replaced to be repaired, modernized and relocated as follows: One at the corner of Harris Avenue and Bradford Street. One at the corner of Hillside Avenue and Webster treet. One to replace Box No. 82 which is obsolete and unreliable.

The tower striker at the Congregational Church is not always to be relied upon, owing to the roof over the mechanism leaking bodly and to excessive vibration of the tower itself when an alarm is rung in.

ESTIMATED COST OF IMPROVEMENTS, REPAIRS AND MAINTENANCE FOR THE YEAR 1917

Two miles new overhead lines	$400.00
Three Positive Non-interfering fire alarm boxes	375.00
Repairing and reinstalling 3 old fire alarm boxes	120.00
Two new 6-inch tappers	50.00
One-half set (110) storage batteries	100.00
Two new all steel and glass battery racks	180.00
Replacing wires and battery racks in battery room	60.00
Repairs to overhead lines (labor and material)	300.00
Repairs to apparatus	50.00
Moving and installing tappers	50.00
Punch register and take-up for Station No. 2	190.00
Contingencies	100.00
Salary of superintendent	600.00
	$2,575.00

Respectfully submitted,

T. F. PICKETT, Supt. of Fire Alarm.

Report of the Superintendent Moth Work

To the Honorable Selectmen:

Gentlemen: I herewith submit the report of the Moth Department for the year ending December 31, 1916. Damage caused by the brown-tail moths this year has been very slight, and from present indications they may easily be kept in subjection during 1917.

In spite of unfavorable weather conditions in the spraying season (it having rained nearly every day during the first two weeks) we were able to keep the worst gypsy moth colonies on private property, as well as the roadsides, in fairly good condition.

Owing to wet and warm weather there was considerable disease among the caterpillers during the latter part of the feeding season so that conditions should be better in some of the colonies next year, even where no spraying was done.

There is a growing interest in moth suppression among some of the larger owners of real estate, which is very encouraging, as no permanent good can be accomplished by this department without the hearty co-operation of the owners themselves.

Where property owners attend to moth suppression it is our duty to protect them from invasion from the property of their neighbors, and those who neglect their trees along the boundaries of property which is properly cared for must expect to have the work done by employees of this department at their expense.

This is not a matter of choice on their part or ours, but is required by law, and persons who have done their own work thoroughly and feel that they are threatened by a neighbor's neglect should report to this department. Owners having done their work should report in writing to this department, so that an inspection may be made, and in case of poor work, proper methods may be explained. Employees of this department have found as many as two hundred and fifty moth nests on a few trees after the owner had done the work to his satisfaction, and in such cases owners should feel no grievance if they receive a moth tax in addition to their own work.

Some of the insects imported to combat the gypsy moths, notably the Calasoma and one of the egg parasites, seem to be firmly established and some help may be expected from this source.

Much brush cutting was done during the latter part of the year.

Greendale Avenue from Great Plain Avenue to High Street, Broad Meadow Road, Bird Street, Forest Street, Brookside Road, and South Street from Chestnut Street to the stone crusher were trimmed out.

This work, while not always desirable from a strictly esthetic view point, is a great help in the moth work and is absolutely necessary for the safety of the users of the highway. Much more of this work should be done each year so that the roadsides might be kept clear of all growth except such trees as are properly placed for shade and ornament, and such shrubs as are so far removed from the travelled way as not to obstruct it.

Respectfully submitted,

E. E. RILEY, Local Superintendent.

Report of the Tree Warden

During this year damage to our elms by the elm leaf beetle was very slight, although some spraying was needed as a protection from other insects.

Eighteen maple trees were planted in different parts of the town.

Our trees are exposed to constantly increasing damage from various causes so that it becomes more difficult to protect and keep them in good condition.

The improvement in street and sidewalk construction and the use of materials impervious to water, as well as the injury caused by the cutting of roots necessary in making foundations for such work, are causing much injury.

With the former methods of construction the loam was often simply covered with stones and gravel which allowed moisture and nutriment to penetrate to the roots. Under present methods moisture is almost entirely excluded except in the narrow strip between street and sidewalk. Even from this strip the loam is often entirely removed to get the proper grade, cutting off many of the small fibrous roots and exposing the larger ones to injurious action of the air and light.

Among the newer causes of injury are automobiles either carelessly driven or becoming uncontrollable and striking the trunks of trees. Injuries of this kind are very frequent, and even when causing no serious damage leave unsightly scars and expose the wood to decay. Considerable trimming has been done to clear the sidewalks and streets and to allow better diffusion of light from the street lamps, but in many cases the lamps are so high that it would be impossible to get perfect service without ruining the trees.

The abnormal weather conditions of the past few years have caused injury to some of the trees especially the younger ones.

A disease diagnosed as anthracuosis by the botanist at Amherst College of Agriculture has been prevalent among several species of oaks during the summer and was undoubtedly caused by the very wet weather. The same disease, or one very similar in its effects, has been noticed among the rock maples on the roadsides.

The several seasons of very dry weather followed by two unusually wet ones are probably the cause of many tree diseases which will disappear with the return of normal conditions.

E. E. RILEY, Tree Warden.

Report of Inspector of Wires

Needham, Mass., Dec. 30, 1916.

To the Honorable Board of Selectmen,
Gentlemen:—

The following report of the Inspector of Wires for the year 1916 is respectfully presented herewith:

The past year has witnessed a continuous growth of the use of electricity in our town for domestic and manufacturing purposes. Electric ranges, heating devices, vacuum cleaners, etc., are coming into general use in increasing numbers.

Many new residences are now having wiring for ranges and heaters installed during the construction of the buildings.

Especial attention has been given to the character of all new wiring in order to have the best and safest work possible, and to conform to the requirements of the National Board of Fire Underwriters.

Beginning Jan. 1st, 1917, the new town by-laws relating to wire inspection will be put into effect and the fees collected, as provided in the by-laws.

Since last July the Edison Co. have had a section of their meter department located at their Needham office in charge of Mr. Harry Kent. This has enabled them to give very prompt service in the matter of installing meters.

It is the opinion of the writer that the rate now charged by the Edison Co. for lighting current, viz., 10c per K. W. hour is too high, and does not compare favorably with the existing rates in many cities and towns. The fact that the same current can be had for 2c per K. W. hour for ranges and heating devices is an indication of the truth of the above.

A beginning has been made in placing the electric light wires underground, a duct having been installed on Dedham Avenue from Needham Square to Pleasant Street for this purpose. It is also gratifying to note that the high tension wires from Dedham Avenue through Needham to the corner of South to Chestnut Streets are now in an underground duct.

The overhead wires and poles throughout are generally in good condition, and owing to the large amount of reconstruction done on lines last year, there has been very much less burning of trees by wires than usual. Interruptions to the lighting and power service have also been fewer than ordinary.

It is very gratifying to add that this department enjoys the hearty co-operation of the representatives of the Edison and Telephone companies, and the best interests of the town conserved in this respect.

Respectfully submitted,
T. F. PICKETT, Inspector of Wires.

Police Department

December 31, 1916.

To the Honorable Board of Selectmen, Town of Needham, Gentlemen:—

I hereby submit my annual report of the doings of the Police Department for the year ending Dec. 31, 1916:

Number of arrests, 63; number of cases, 67; number of males, 62; number of females, 1; number of residents, 38; number of non-residents, 24; number of juveniles, 7.

CAUSES OF ARRESTS

Assault, 6; assault on officer, 1; bastardy, 1; breaking and entering, 6; cruelty to animals, 1; disturbing the peace, 8; drunk, 26; insane, 2; larceny, 2; manslaughter, 1; murder, 1; obstructing railway tracks, 1; sale of intoxicating liquors, 1; track walking, 2; vagrancy, 2; violation of automobile laws, 6.

DISPOSITION OF CASES

Appealed, 2; filed, 13; fined, 23; probation, 7; discharged, 10; sent to Dedham jail, 4; sent to state farm, 4; sent to state prison, 1; returned to Shirley school, 1.; returned to out-of-town officers, 1; committed to insane asylum, 2; amount of fines, $250.00.

The Town has been unfortunate in the past year in having a comparatively large number of violent deaths, including drowning, automobile and railroad accidents and murder.

The most startling case was the murder of Anna Pearson, wife of Augustus Pearson, on the afternoon of April 18th. The deed was committed by Axel Pearson, a farm hand employed on the Pearson farm, who, although bearing the same name, was no relation to the Pearsons.

Pearson entered the house about three o'clock in the afternoon, and after a struggle with the woman, fired two shots and instantly killed her.

He escaped, and after a persistent search was located at Raynham, Mass., brought back to Dedham, and in the lower court was held for the Grand Jury without bail, charged with murder.

Considerable time was spent by myself and several of the officers in investigating the case, to present the facts to the Grand Jury, which, after hearing the evidence, indicted Pearson with murder in the first degree. On Dec. 18th Pearson was tried before the Superior Court at Dedham and after three days of evidence Pearson pleaded guilty to

murder in the second degree and was sentenced to life imprisonment.

A sad death occurred on July 16th, when Mildred Ramey, while walking to her home on Chestnut Street, was struck by an automobile, and so severely injured that she died two hours later at the Needham Hospital. No case was found against the driver of the machine, as the investigation showed that his vision was blinded by the glare of headlights from another machine.

One man was killed at the Needham Junction Railroad Station by jumping off the train after it had started and falling under the wheels. This occurred on the evening of July 19th.

On Oct. 22nd an automobile containing four young school children and the chaffeur was struck by a train at the Charles River street crossing at Charles River Village. One of the children was so severely injured that she died a few days later of her injuries.

The death of a young woman by drowning, at the swimming basin, was another sad accident, and was due to her getting out unnoticed beyond her depth.

An unusual number of accidents and misdemeanors have been investigated. Several of the accidents required only a written report to the Commissioners of the State, and these I have sent. All cases of misdemeanor have been investigated and in practically every case have been settled satisfactorily to the complainant without court action.

Again I feel it necessary to bring to the attention of parents the necessity of keeping a strict discipline over their young boys, as several cases have occurred during the year where boys under fifteen years of age have been implicated.

I wish to thank your Honorable Board for the valuable assistance you have rendered this Department, and for your hearty co-operation at all times. I also wish to thank all the officers for their willing spirit in aiding me in every way possible when called upon.

Respectfully submitted,

NORMAN MacKENZIE, Chief of Police.

Report of Sealer of Weights and Measures

January 6th, 1917

To the Selectmen of Needham, Mass.

GENTLEMEN:—I have to submit herewith the annual report of the Sealer of Weights and Measures for the year ending December 31st, 1916.

During the year 67 inspections and tests were made for which fees were charged to the amount of $41.93 This sum has been turned over to the Town Treasurer and his receipts taken therefor.

The new record book prescribed by the Commissioner of Weights and Measures has been used this year. This book provides a complete description of weights and measures sealed, adjusted or condemned, together with the name of owner.

Respectfully submitted,

FREDERICK D. SUTTON,

Sealer of Weights and Measures.

Report of Building Inspector

January 1, 1917.

To the Selectmen of the Town of Needham:

GENTLEMEN:—I beg leave to hand you herewith the fourth annual report of the Building and Plumbing Inspection Departments for the year ending December 31st, 1916.

The by-laws adopted by the Town at the March meeting which are now in force provide for the payment of $1.00 as a fee with each building permit, whereas, under the old law, no fee was required.

Schedule No. 1 shows, in tabular form, the number of permits granted during 1916, with comparison of 1915.

Schedule No. 2 shows, in tabular form, the valuation of buildings and structures erected in 1916, with comparison of 1915.

The State plumbing laws have been adopted and are now operative. There are minor changes in the specifications of the same in reference to the material to be used, which adds to the cost of an installation.

The total number of plumbing permits issued in 1916 was 117; issued for 1915, 125, a decrease of eight.

Respectfully submitted,

FREDERICK D. SUTTON.

Report of Board of Health

To the Citizens of the Town of Needham:

The organization of the board for 1916 was as follows: J. Walter Schirmer, M. D., chairman; Norman A. Dubois, Ph. D., secretary, and Virgil A. Rowe.

We take great pride in calling to your attention the appended report of our agent and milk inspector, Mr. H. E. Berger, Jr., who came to us in April, 1916, succeeding Mr. Robert N. Hoyt, our former agent, who now is in charge of the health department of Manchester, N. H.

Mr. Berger is a graduate of the Massachusetts Institute of Technology, Dept. of Public Health and Hygiene, and previous to coming to this district had served for nine months in Serbia with Prof. Strong of Harvard during the epidemic of typhus in 1915.

The above is stated to point out the type of men who supervise the health of our inhabitants and a careful examination of the appended report and tables will show that no town in the state is better served or better results obtained. The attention given to the cleanliness of milk and general food supply, the supervision and correction of filthy and unsightly stables, piggeries, back yards and dumps, the constant and increasing efforts to reduce the fly and mosquito nuisances should meet with the approval and support of all, regardless of their individual beliefs and ideas. We urge your interest and co-operation to help keep Needham one of the cleanest and most delightful communities in New England.

Signed,

J. WALTER SCHIRMER, Chairman,
NORMAN A. DUBOIS, Secretary,
VIRGIL A. ROWE.

AGENT'S REPORT

Wellesley Hills, Mass., Jan. 13, 1917.

Board of Health of Needham,

Gentlemen:—

The following is my report as your Agent and Milk Inspector for the year 1916:

CO-OPERATIVE HEALTH ORGANIZATION

The past year brought to a close the third year of ser-

vice rendered your town by the staff of the Co-operating Boards of Health. The details of this service are adequately described in the yearly reports of the town for the years 1913 and 1914.

DISEASES DANGEROUS TO PUBLIC HEALTH

1. Law requires the reporting of all Diseases Dangerous to Public Health.

The early recognition of these diseases through use of the laboratory, prompt isolation of the patient and insistance upon bedside disinfection are the essentials in checking the spread of disease in a community. To be efficient the Board must have co-operation with the residents of the town. When action is taken it is always for the protection of society, and seeming encroachments upon personal liberty are sometimes demanded because of the right which society in general exercises over the individual under certain conditions.

2. Prevalence of Disease during the Year.

In Table No. 1, given below, are recorded the cases of diseases dangerous to public health occurring during the past ten years. The total for 1916 is much smaller than that of 1915, and undoubtedly would have been smaller had parents in the foreign quarters had a physician to tend their children instead of allowing the little ones, ill with measles, to play in the streets, and infect their playmates. The attendance of a physician in cases of disease is highly desirable from a public health standpoint.

DIPHTHERIA

The total cases of Diphtheria reported during the year were five. One fatality occurred. All cases were given prompt attention, and spread of infection was thus prevented. Milk, apparently, had nothing to do with these cases.

SCARLET FEVER

Of the sixteen cases of Scarlet Fever reported to the Board one proved fatal. Investigation showed that no case could be traced to the milk supply.

TUBERCULOSIS

Of the nine cases of Tuberculosis reported to the Board eight were of the Pulmonary type. Too much emphasis cannot be laid upon the necessity of checking this disease. The means of combating it are well known or should be well known. The morbidity rate for Tuberculosis of Needham is too high. Statistically, it is evident that more unrecognized cases exist in Needham. It is these mild and unrecognized cases which demand attention if infection of others is to be stopped, and the sufferer is to receive the necessary treatment and training in personal hygiene which will prolong life.

Early recognition can only be had from an experienced practitioner. Periodic, thorough physical examination by a competent physician will do much for both adults and children, especially anaemic ones.

INFANTILE PARALYSIS

The Town of Needham takes a singular position in the registry of the State Department of Health. It is one of the very few towns in the entire state from which a case of Infantile Paralysis was not reported. During the epidemic which existed during the summer, the Board maintained a constant vigilance in an endeavor to prevent any outbreak of the disease in Needham. Thanks, partly to their efforts and to the kindness of fate, no instance of a case of this disease was discovered.

DEATHS FROM COMMUNICABLE DISEASES

Table No. 3 shows the number of deaths due to diseases dangerous to public health for the past ten years:

TABLE III

DEATHS FROM COMMUNICABLE DISEASES

Disease	1907	1908	1909	1910	1911	1912	1913	1914	1915	'16
Diphtheria	2	3	1	0	0	1	0	1	1	1
Scarlet Fever	0	0	0	0	0	0	0	0	0	1

*Smears from babies' eyes.

4. Through the courtesy of the proprietors of Maloney & White's drug store in Needham Square, a culture station for the Board of Health is maintained. Here physicians may obtain, free of charge, the necessary prophylactics and diagnostic outfits supplied by the Board of Health.

5. After the month of May the Board abandoned the old use of fumigation and substituted thorough terminal disinfection, as fumigation is now believed to be inefficient. Soap and water, boiling of bed clothes, and sunlight are believed to be the efficient modes of treatment after a case of

disease has recovered. Up to May, nine fumigations were performed, two after recovery of Diphtheria and seven after recovery from Scarlet Fever.

MILK INSPECTION

Monthly analysis, chemically and bacterially, is an important essential in safeguarding the community. Nearly thirty-three and one-third percent (33 1/3%) of the samples taken showed bacteria counts of below 10,000. For a town so near to its source of supply, sixty-six and two-third percent (66 2/3%) of the samples should fall within this limit. All milk supplied Needham should easily come under the 50,000 limit. Cleanliness and freshness are the important factors in producing milk with low counts. Sixty-four percent of the samples fell under this limit. Ten percent of the samples were over the limit set by the Board of Health. Ninety percent fell within the standard. Table No. 5 shows the results of the bacterial examinations:

TABLE V

RESULTS OF BACTERIOLOGICAL EXAMINATIONS OF MILK, 1915 AND 1916

Bacteria per Cubic Centimeter	1915 No. of Samples		1916 No. of Samples	
	No.	PerCent.	No.	PerCent.
Below 10,000	29	24.5	32	32.
10,000 to 20,000	24	20.4	10	10.
20,000 to 50,000	24	20.4	22	22.
50,000 to 100,000	13	11.0	13	13.
100,000 to 300,000	19	16.1	13	13.
Total Samples Under 300,000	109	92.4	90	90.
300,000 to 500,000	2	1.7	1	1.
500,000 to 1,000,000	4	3.4	2	2.
Over 1,000,000	3	2.5	7	7.
Total Samples Above 300,000	9	7.6	10	10.
Total number of samples collected	118	100.	100	100.

WHOOPING COUGH

During the year, sixty-two cases of Whooping Cough were reported. The difficulty of diagnosing this disease until the appearance of the "whoop", prevents its early recognition. As yet, there is no reliable laboratory aid which can help the physician. Restriction of the patient to his own property, and preventing sick and well from mingling, is the only means at present which the Board exercises to prevent the spread of this disease. Householders should recognize that the State Law requires the reporting of diseases dangerous to public health, even though a physician is not summoned. Instances have occurred where cases of Whooping Cough have not been reported to the Board, and in this way more cases are contracted. If the public would only realize the dangerous complications which may arise from this disease, more care would be taken by parents. Conscientious people will not wantonly expose other children to the disease. At the present time, Whooping Cough is said to account for more deaths than either Diphtheria, Scarlet Fever or Measles. It is especially dangerous to children under five years of age.

In Table No. 6 the individual dealer's standing is shown by the median number of bacteria per cubic centimeter, and also the number of samples taken. The median resembles the average, and is the middle number selected after the bacterial counts have been arranged in the order of their magnitude:

MILK ANALYSIS.

Median Number of Bacteria per c. c. for each Dealer—1916:

Dealer	Median Number Bacteria per c. c.	Number of Samples
Bezanson, E. F.	45,000	12
Crowley, Wm. P.	20,000	11
Eaton, H. Harris	7,000	12
McMullin, W. B.	74,000	12
McMullin, W. B.**	42,000	11
Hood, H. P. & Sons*	44,000	12
Stewart, J. W.	18,000	12
Webb, K. E.	22,000	12

*Pasteurized Milk—Jersey Brand.
**Baby Milk from Tuberculin Tested cows.

The food value or richness of the milk is indicated by the percent. butter fat (cream) and the total solids (all of the milk except the water naturaly contained in milk). The average results of the chemical analysis are shown by Table No. 7 as compared with the minimum percentages allowed by State Law:

MILK ANALYSIS.

Average percentage of butter, fats and total solids for each dealer —1916

Dealer	%Fat	%Solids	Number of Samples
Bezanson, E. F.	3.8	12.7	6
Cizlenski, John	4.0	12.7	2
Crowley, Wm. P.	3.7	12.0	6
Eaton, H. Harris	4.1	12.8	6
Grasso, Thomas H.	4.6	13.7	1
Hood, H. P. & Sons*	3.7	12.3	6

*Pasteurized Milk—Jersey Brand. **Milk from Tuberculin tested cows.

DAIRY INSPECTION

All dairies supplying Needham are carefully inspected and improvements required when needed. Cleanliness in the handling of milk is the thing most desired in these improvements.

WATER SUPPLY

During each month of the year bacteria analyses are made of Needham water. At no time were evidences of pollution found.

COMPLAINTS

Complaints have always been promptly attended to. The satisfactory settlement of complaints is one of the most delicate questions which the Board has to settle. Any action which is taken is wholly from the standpoint of health, and not because of desire to harm or injure anyone. The table of complaints, their nature and disposition, is found below:

TABLE IX

COMPLAINTS

Nature of Complaints	No. of Complaints	Disposition of Complaint: Inspections Made	Number Abated	No Cause for Action	Pending

FLY AND MOSQUITO SUPPRESSION

During the coming year the Board hopes to have the co-operation of all in a campaign to rid Needham of flies and mosquitoes. The necessary co-operation will do much in re-

moving both of these bothersome and disease-bearing pests.

At the last town meeting the sum of $100 was appropriated for the collection and disposal of garbage in the more thickly settled parts of the town. This has proved a decided benefit but a larger appropriation is needed to properly carry out this measure.

Respectfully submitted,

H. E. BERGER, Jr., Agent and Milk Inspector.

TOWN OF NEEDHAM

ANNUAL REPORT

OF THE

COLLECTOR, TREASURER

AND

TOWN ACCOUNTANT

FOR THE YEAR 1916

NEEDHAM

Twenty-Seventh Annual Report of the Water Commissioners

To the Inhabitants of the Town of Needham, Massachusetts:

The Water Commissioners herewith submit their twenty-seventh annual report for the year ending December 31, 1916.

At the annual town meeting in March, Mr. Edmund G. Pond was re-elected Water Commissioner for a term of hree years.

The board organized by electing Mr. Edmund G. Pond chairman, and appointing George A. Adams, clerk.

Standpipes

The steel work on the new standpipe on Bird's Hill was finished so late in the fall of 1915, and being so cold that it was thought advisable not to sand blast and paint until warm weather. It has since been emptied, sand blasted and painted, three coats of red lead and oil on the interior, and two coats of light gray preservative on the exterior. It was our intention to put a steel roof on it before painting but the price of steel makes it almost prohibitive at the present time, but as soon as prices will warrant, the matter will be attended to.

The standpipe lot is to be levelled, seeded, and shrubbery set out in several places and otherwise beautified so that the surroundings will be in keeping with the standpipe.

We intend to have the old standpipe on Ryan's Hill emptied during the summer and thoroughly cleaned, repaired and painted, as it begins to show the effects of the elements and the twenty-six years it has been in service.

We now have good standpipe service. as the town can be supplied with either or both, and when used jointly they give excellent service for both fire and domestic use, as there is only a variation of static pressure between daily pumping of about seven pounds, and we have between seven hundred thousand and a million gallons of water in reserve.

Extensions

The following extensions have been made during the year:

Avery street — from Greenough street west 161.0 feet.
Hemlock street — from 1911 extension east 133.5 feet.
Henderson road — from Walnut street south 771.8 feet.
Manning street — from Gibson street north 138.2 feet.
May street — from Oakland avenue west 144.5 feet.

Bonds

Bonds to the amount of ninety-five hundred dollars have matured and been paid during the year.

The outstanding bonds mature as follows:—

1917	$9,500.00
1918	10,000.00
1919	10,000.00
1920	10,000.00
1921	9,500.00
1922	9,500.00
1923	10,000.00
1924	9,000.00
1925	9,000.00
1926	10,000.00
1927	10,000,00
1928	10,000.00
1929	10,000,00
1930	11,000.00
1931	8,000.00
1932	8,000.00
1933	9,000.00
1934	7,000.00
1935	7,000.00
1936	7,000.00
1937	7,000.00
1938	1,000.00
1939	1,000.00
1940	1,000.00
1941	1,000.00
1942	1,000.00
1943	1,000.00
1944	1,000.00
Total outstanding bonds	$197,500.00
Total bonds matured and paid	132,500.00
Total authorization and issued	$330,000.00

Respectfully submitted,

Edmund G. Pond,
Albert E. Collishaw,
William Carter,

Superintendent's Report

To the Honorable Board of Water Commissioners:

Gentlemen:—I present herewith the report of the department for the year ending December 31, 1916.

Summary of Receipts

Cash in treasury, January 1, 1916		$398 51
Water rates	$19,171 47	
Repairs	130 87	
Meter rentals	1,236 99	
Sale of grass	30 00	
Rent of buildings	504 00	
Interest on bank balances	80 32	
Water for public purposes	3,000 00	
		24,153 65
Extension of services and meters	1,967 13	
Sale of old building	25 00	
		1,992 13
		$26,544 29

Summary of Expenditures

Extension of main	$1,313 10	
Extension of services	2,587 87	
Purchase of meters	787 40	
Increasing and protecting	1,377 98	
		$6,066 35
Coal	1,355 93	
Engineers	2,262 00	
Labor on station and grounds	33 51	
Supplies for station	303 76	
Telephone Service	22 11	
Lighting station	51 20	
Insurance on boilers	74 00	
		4,102 51
Telephone service	57 23	
Printing and stationery	49 66	
Salaries	1,430 00	
Office and meter reading	647 80	
Repairing, parts and care of meters	312 77	
Labor and material on leaks	122 90	
Liability insurance	289 95	
Liability insurance, excess to May, 1916	153 58	
Labor, supplies and general repairing	1,376 41	
		4,440 30
Interest on bonds	8,280 00	
Loan of 1915	500 00	
Expense on checks	53	
		8,780 53
Cash in treasury, December 31, 1916		3,154 60
		$26,544 29

CONSTRUCTION ACCOUNT

Expenditures

Orders drawn	$6,066 35

Receipts

Extension of service, etc.,	1,967 13	
Sale of old building	25 00	
Transferred from earnings to balance	4,074 22	
		6,066 35
Amount transferred from earnings of department to Dec. 31, 1916		16,670 26

1897	65,949,410
1898	77,202,200
1899	81,799,375
1900	81,684,617
1901	84,306,557
1902	100,350,737
1903	107,580,370
1904	100,176,526
1905	103,487,396
1906	124,785,658
1907	115,107,418
1908	129,830,392
1909	122,375 400
1910	121,317,391
1911	112,630,728
1912	130,140,606
1913	125,732,521
1914	144,269,698
1915	147,910,000
1916	151,240,000

METERS

One hundred and one meters have been purchased, one Thomson and two Bees have been exchanged for three Lamberts, three Crown and three Nash for six Nash, and two Worthingtons for two Worthingtons, making one thousand, five hundred and fifty-five in the department.

Consumers own three hundred and eight, and the department one thousand, two hundred and forty-seven.

Summary of Statistics

For the Year Ending Dec. 31, 1916

Needham Water Works, Norfolk County, Mass.

Population by census of 1915, 6,508.
Date of construction, 1890.
By whom owned, town of Needham.
Source of supply, wells.
Mode of supply, pumping to standpipes.

Pumping

1 Builders of pumping machinery. The George F. Blake Mfg. Company and Laidlaw-Dunn Gordon Company.
2 Description of fuel used:
  a. Kind, bituminous coal, per gross ton, $5.72.
  b. Screenings, per net ton, $2 25.
3 Coal consumed for the year, 500,000 pounds.
4 Total pumping for the year, 151,240,000 gallons, without allowance for slip of the pumps.
5 Average static head against which pumps work, 242 feet.
6 Average dynamic head against which pumps work, 277 feet.
7 Number of gallons pumped per pound coal, 302.4.
8 Duty—(gallons pumped x 8.34 (lbs.)x 100 x dynamic head) ÷ total fuel consumed. New pump 70,678,324 foot pounds
Cost of pumping figured on pumping station expenses, viz: $4,102.51.
9 Per million gallons pumped, $27.13.
10 Per million gallons raised one foot, (dynamic), .094.
Cost of pumping figured on total maintenance, including interest on bonds, viz.: $16,823.34.
11 Per million gallons pumped, $111.23.
12 Per million gallons raised one foot, (dynamic(, .40.

Consumption

1 Estimated population of town, 6,900.
2 Estimated population on lines of pipe, 6,850.
3 Estimated population supplied, 6,850.
4 Total consumption, 151,240,000 gallons.
5 Average daily consumption, 413,224.
6 Gallons per day to each inhabitant, 59.8.
7 Gallons per day to each consumer, 60.3.
8 Gallons registered by meters, 63,210,427.
9 Water for public purposes not metered.

Distribution Mains

1 Kind of pipe, cast iron.
2 Sizes, from 4 to 18 inches.
3 Extended during the year, 1,362,0.
4 Total now in use, 41.39 miles.
5 Number of hydrants added during the year, 2.
6 Number of hydrants now in use, public 338, private 22 — total 360.
7 Number of stop gates added during the year, 2.

8 Number of stop gates now in use, 346.
9 Range of pressure on mains, 63 to 120 lbs.

Services

10 Kind of pipe, cast iron, cement lined and galvanized iron lead, and lead lined iron.
11 Sizes, 1-2 to 8 inches.
12 Extended 7,585.6.
13 Total now in use, 29.56.
14 Number of services added during the year, 78.
15 Number now in use, 1,597.
16 Number used for public purposes, 29.
17 Number of meters added, 101.
18 Number now in the department, 1,555.
19 Percentage of services metered, (domestic), 100.

Respectfully submitted,

GEORGE A. ADAMS,

Superintendent.

☞Bring this Report with you to Town-Meeting, as there will be no copies for distribution.

TOWN OF NEEDHAM

REPORT

OF THE

FINANCE COMMITTEE

TO THE TOWN

AT THE

ANNUAL MEETING, MARCH 6, 1916

BROOKLINE
THE RIVERDALE PRESS: HARVARD SQUARE
1916

REPORT

The Finance Committee submits this report after conference with heads of departments and citizens interested in the various articles to be acted upon.

The various departments have asked for considerably less increase in their estimates than a year ago.

Special appropriations of $6,950 are asked for, where $2,258 was appropriated for special purposes last year.

On Dec. 31, 1914, the town lacked $3,393 to pay outstanding bills (not including excess expenditures). On Dec. 31, 1915, the town had $4,153 on hand in excess of outstanding bills.

The general government of the town cost $778.62 less in 1915 than in 1914.

The Committee asks your attention to the following recommendations:

ARTICLE 4

The Committee recommends that $698.38, the money received from dog licenses, be appropriated for use of Public Library.

ARTICLE 6

Selectmen's Department. $750. [For salaries $450, expenses $200, clerk $100.]

Accounting. $1,000. [For salary $900, expenses $100.]

Treasurer. $900. [For salary $500, clerk $100, bond $125, expenses $175.]

Tax Collector. $1,000. [For salary $950, bond $50.]

Assessors. $2,800. [For salaries $1,900, plans $500, expenses $400.]

Finance Committee. $100. [For printing and distributing report.]

Town Clerk. $475. [For salary $250, fees $100, expenses $125.]

Election. $550. [For salaries, registrars $160, election officers $150, expenses $60, printing $180.] The committee believes that the item of printing is excessive, and a material saving should be made.

Care of Town Hall. $1,400, and an amount equal to the receipts. This is an increase of $400 over 1915. There was a balance of $163 in 1915. The Selectmen have received approximate estimates of $500 for painting the building; and the Committee recommends this increase, as parts of the Town Hall have not been painted since it was completed.

THE FINANCE COMMITTEE PRESENTS ITS RECOMMENDATIONS FOR 1916 AND A COMPARATIVE TABLE FOR 1915

Police. $3,700, and an amount equal to the receipts from fines and other sources. The Police Department returned a balance of $635.54 to the Treasury. The Finance Committee believes that a reduction of $300 can be made in this appropriation without impairing the efficiency of the department, and that the appropriation for Enforcement of Liquor Law can be omitted, as this is essentially a part of the duties of the police.

Fire Department Maintenance. $4,750, and an amount equal to the receipts. This is $673 less than was appropriated last year, the department returning $1,110 to the Treasury. It cost about $1,500 less to run the department in 1915 than in 1914, but $2,000 more than in 1912. There were 21 recorded calls in 1912, 82 in 1914, 69 in 1915. There were more incendiary brush fires in 1914 than all fires in 1912, and 16 incendiary fires last year. These incendiary fires are a cause of considerable expense. The items making up this appropriation are new hose $500, horse hire $650, rent $172, repairs and maintenance of stations $500, repair to apparatus $22, printing $50, salaries, men $1,176, paid service $1,102, paid drill $275, auto hire $225.

Fire Alarm. $2,260. This appropriation is materially reduced from last year's. Large appropriations have been made for this department during the past few years and the service is much improved. The high cost of material is the cause of the Committee's recommending only 3 miles of new wire. Three miles new wire $600, new boxes $330, storage boxes $80, supplies $100, repairs to apparatus $100, repairs to alarm room $50, repairs on overhead wires $200, tappers $100, contingencies $100, superintendent's salary $600.

Hydrants. $3,000. The Committee recommends the same appropriation as last year for the 336 hydrants. The Water Department last year transferred $2,469.41 from earnings to construction, but the town paid the maturing bonds, amounting to $9,500. Under Article 26, the Finance Committee makes further recommendations.

Inspection. $1,100 and an amount equal to the receipts. This is the same as last year, and covers salaries and expenses of wire, building and plumbing inspectors and inspectors of weights and measures and cattle. If the new by-laws are accepted there can be a material reduction in this appropriation next year. The Finance Committee is investigating arrangements other towns have with the Edison Company by which wire inspection is done at practically no expense to the town.

Extermination of Gypsy and Brown-Tail Moths. $4,204.35, and $3,000 for work on private property and an amount equal to the receipts. The State requires the town to appropriate $3,604.35; $600 is for a new $1,200 sprayer, the State paying one-half of the cost. The $3,000 for work on private property is to be refunded by assessment, and therefore is not added to the tax levy.

Forest Warden. $145. The increase of $25 is for printing and advertising.

Insurance. $1,173. The town adopted the schedule form of insurance last year. The New England Insurance Exchange established a higher rate for Needham, resulting in our insurance costing more than anticipated. Needham needs twenty points to secure a "B" rating. The Finance Committee is working on the various suggestions offered to obtain this rating, and hope to present a comprehensive plan to the town to secure same without undue expense.

Board of Health. $1,400, and an amount equal to receipts and reimbursements. ($800 for expenses and $600 for contagious cases.) The demand on this board on account of contagious cases last year was unusually large, amounting to $1,021.35. A large part of this total was paid to other cities and towns for cases arising outside of Needham, but having settlement here. The Committee recommends a continuance of some arrangement with the Co-operating Boards of Health, comprising Belmont, Canton, Framingham, Needham, Wellesley, Weston, Melrose, Walpole and Winchester.

Highways. $16,000 and an amount equal to receipts from private individuals, the street railway and excise tax, and $2,500 for use if the Selectmen's petition is allowed for further grant from the Motor Vehicles Fund. The town has received $6,175.21 from this fund.

The Finance Committee recommends that the Selectmen be instructed to secure competitive bids on all construction work on streets involving an expense of $500 or more.

Sidewalks. $2,000, and an amount equal to the receipts from individuals. This is the same as last year.

Poor. $5,500, and an amount equal to receipts and reimbursements. This is a reduction of $500. Last year the Committee recommended an increase of $1,000 in the appropriation for this department, but the additional amount was not needed, $1,283 being returned to the Treasury.

Schools. $52,412, together with income from the Dwight School fund and an amount equal to the receipts from sale of books and tuition. This is the same as last year and includes the $300 for school physicians.

The Finance Committee has received various recommendations from members of the School Committee — some by correspondence, some in conference.

The first was the chairman's letter of February 11, confirming the contention of the recently published report of the Committee of Twenty-one that Needham's schools are costing too much, and presuming that it would be necessary to have an appropriation equal to that of last year, as the department was obliged to carry over into this year $1,900 of unpaid 1915 salaries.

The next recommendation was the School Committee's (Column B in table below) submitted through the chairman, in a letter of February 23, without analysis of cause of increase.

The next was presented to the Finance Committee by two members of the School Committee (Column C in table) together with analysis of increases.

	Finance Com. 1915 Recommend	A Expenditures 1915	B School Com. Recommendations through Chairman	C School Com. Recommendations by other sources
Salaries	$40,617 00	$40,917 20	$42,050 00	$43,395 00
Salary deficit 1915	.....	.....	1,900 00	1,905 00
Books and Supplies	2,500 00	2,793 63	3,500 00	2,500 00
Janitor's supplies and light	350 00	406 71	.....	400 00
Furnishings	200 00	.....	.....	.....
Tuition	200 00	152 40	.....	150 00
Committee Rooms	150 00	400 49	.....	400 00
Miscellaneous	300 00	136 24	750 00	150 00
Fuel	3,700 00	3,602 60	4,000 00	3,600 00
Evening School	350 00	144 00	300 00	350 00
Transportation	1,200 00	959 65	1,000 00	1,050 00
Repairs	2,345 00	2,933 74	2,200 00	3,000 00
Insurance	800 00	800 00	.....	.....
Approximate receipts	.....	.....	300 00	.....
Grading	.....	210 39	.....	.....
	$52,712 00	$53,457 05	$56,000 00	$56,900 00

Appropriation $52,412 00
Receipts approx. 300 00
$52,712 00

The schools cost last year $53,457.05 (column A in table). In this total is $800 for insurance not needed in 1916 on account of new system, $723 for repairs to Avery School, with money received from fire insurance. The Finance Committee reaffirms last year's suggestion that the School Committee should use the rooms in the Town Hall as soon as vacated by the library, a saving of $300. Recommendation C estimated a saving of $293 on cost of books and supplies. To these savings may be added a probable saving for this year in superintendent's salary. Against these savings must be charged $1,900 for salaries for 1915, paid in February, 1916, being included in a pay-roll bill for salaries of teachers and janitors for month ending Jan. 31, 1916, instead of through a deficit appropriation.

Taking these deductions into consideration and the School Committee's recommendation "B" for increase in salaries, the Finance Committee recommend the appropriation of $52,412 and receipts for the School Department.

Analysis of Increases as Called for in Recommendation "C."

Two additional teachers	$1,200 00
One additional teacher, two months	120 00
Change from 12 to 10 payment system	1,905 00
Increase in salaries	1,100 00
Evening school	206 00
Fuel	50 00
Repairs	600 00
Transportation	90 00
	$5,271 00

Public Library. $3,000, and an amount equal to receipts from dog taxes, fines and other resources. This is an increase of $600 over last year plus the $360 not needed for insurance. The additional requirements are for increases in salaries of librarians and assistants, and other expenses involved in plan of the trustees to keep the new library building open every day.

Parks. $700. A saving of $150 over last year. The Commissioners had a balance of $175.45 left out of their appropriation last year. There are no unusual demands for this year and the Finance Committee felt justified in this reduction.

Unclassified Accounts. $1,200 for legal expenses, printing of town report, distribution of same, expense of dog officer, printing of bonds, certification of town notes. A saving of $175 over last year.

Unpaid Bills. $1,600. A saving of $1,900 over 1915. Over $700 of this amount could have been paid out of balances had the bills been received on time. About $600 is to pay bills required by law and impossible to anticipate. This is the best showing for several years.

Municipal Indebtedness. $18,300. This is $6,000 less than in 1915, and completes the payment of Glover Spring loan and High School bonds.

ARTICLE 9

The Committee recommends that the compensation of Collector of Taxes be same as in 1915. The statute allows the charging of interest up to 10% per annum on uncollected taxes.

ARTICLE 10

The Finance Committee recommends the appropriation of $3,000 to build the approaches to High Rock Street bridge. The town voted under Article 7, Oct. 2, 1913, that the Selectmen be authorized to enter into an agreement with the N. Y., N. H. & H. R. R. Co. for the construction by the railroad of a bridge across the railroad location on High Rock Street and the construction of the approaches by the town.

The estimates of expense were made by engineers of the railroad and our Superintendent of Streets.

The agreement between the railroad and Selectmen was duly executed, and on Feb. 27, 1915, the Public Service Commission approved same.

The building of this bridge will give access to the Needham Junction Station over one of the oldest town highways. If the Assessors only increase the valuation 10% on the 500 acres affected the increased taxes would net the town 12% on its investment.

The expense is small in proportion to the benefits of having a bridge at this location.

ARTICLE 11

The Finance Committee recommends the appropriation of $400 for the repair of Pierce bridge. Ordinarily the Committee does not favor special appropriations of this sort, but the efforts of the Selectmen to have Dover co-operate with Needham to have a new bridge not being successful, we

recommend this amount to repair same, as recommended by J. R. Worcester & Co., who examined the bridge and report it as being unsafe;

ARTICLE 12

The Finance Committee recommends the appropriation of $500 for tuition of pupils in vocational schools, together with an amount equal to receipts and reimbursements from the State. This is an increase of $125. The Superintendent of Schools estimates it will cost Needham $1,000 this year, one-half being paid by State.

ARTICLE 13

The Finance Committee recommends that $419.05 be appropriated to pay the doctor's and hospital bills of Clyde E. Cookson, contracted on his account, as a result of serious injury sustained by him at a fire.

Mr. Cookson received a compound fracture of his left leg on account of a chimney falling on him March 19, 1914. He was ordered to the Glover Hospital by the Chief of the Fire Department. On asking to be removed from hospital on account of the expense, two members of the Board of Selectmen informed him the bill would be paid by the town. He was in the hospital several weeks, his bill being $150.05; his doctor's bills were $269. The Selectmen later told him the town could not pay his bills. The Legislature passed an enabling act, Chapter 84 of the Special Acts of 1915, authorizing the town to pay Clyde E. Cookson a sum not exceeding $1,500.

ARTICLE 14

The Committee recommends that $400 be appropriated for supervision of Avery School Playground. This was an experiment last year, and has been pronounced a success.

ARTICLE 15

The Committee does not recommend the installation of street lights on Melrose Avenue or any other private way, unless the abutters agree to pay the cost of same.

ARTICLE 16

The Committee recommends that the town sell, for a price to be determined by Assessors, the "Water Shed" land, near the bridge where Great Plain Avenue crosses the railroad, as shown on blue print furnished by N. Y., N. H. & H. R. R. Co., and as required by them for railroad station and approaches to same, provided the State Board of Health report favorably in writing that the work can be done without contamination of water supply and that the sanitary arrangements are approved by State Board of Health.

ARTICLE 17

The Committee does not recommend the acceptance of Walnut Street, as same is not built up to grade.

ARTICLES 18, 19, 20

The Committee recommends the acceptance of these streets, same being built to grade and requiring no expenditure by the town.

ARTICLE 22

The Committee does not recommend any appropriation under this article, believing that the Board of Health can make a sufficiently binding contract without that expense.

ARTICLE 24

The Committee recommends no appropriation under this article.

ARTICLE 25

The Committee recommends the appropriation of $2,000 to purchase the gravel bank on Webster Street. This lot is approximately 700 feet by 125 feet and contains at least 50,000 cubic yards of unusually good binding gravel for street purposes.

ARTICLE 26

The Committee recommends that the Water Commissioners meter all public buildings and make regular charge against department responsible for such buildings.

The Committee further recommends that a proper charge be made for all public hydrants, private hydrants and sprinkler services, to be determined by the necessities of the Water Department, so that bonds, interest and expenses may be met by revenue; also, that the Water Commissioners determine on a proper charge for horse troughs and fountains on which to base a proper appropriation for same in the future.

The Finance Committee recommends that the Water Commissioners be instructed to secure competitive bids on all construction work involving an expense of $500 or more.

ARTICLE 27

The Committee recommends that the last sentence of the second paragraph of Article 2 be omitted, as it is physically impossible for the Finance Committee to make up its report, have same printed and ready for distribution when warrant is distributed.

The Committee especially asks the attention of the voters to the fact that the departments of the town in their efforts to economize, have in most instances kept well within their appropriations, and that unexpended balances aggregating over $8,000 have been turned back into the treasury. If the appropriations as recommended herein are accepted by the voters the tax rate will be materially lower than last year.

The Committee was unanimous on all recommendations except on Article 10.
